Re: Proposed Construction of Permanent Home for the Griffith Park Adult Community Club on Griffith Park property at 3224 Riverside Dr. Los Angeles, CA. 90027

Dear Board of Commissioners,

The Griffith Park Advisory Board wishes to express its enthusiastic support for the proposed construction of a permanent home for the Griffith Park Adult Community Club, as presented by club member Stephanie Vendig, and the project's architect Barbara Bestor, at our GPAB meeting on Thursday Dec. 1, 2017.

The GPAB feels the proposed design is elegant and complimentary to our park's esthetic and that the facility represents an important asset to our adjacent residential community and the needs of a valued segment of our park's constituents.

Presuming the GPACC can satisfactorily meet the Department of RAP's necessary considerations and requirements, the GPAB supports their efforts and respectfully request that when presented with GPACC's petition, it be approved.

Thank You,

Ron Deutsch
