

RECOMMENDATION:

That the Board act to adopt the attached Conflict of Interest Code Schedules A and B.

SUMMARY:

On July 12, 2006, Mayor Villaraigosa issued Executive Directive No. 7 on the subject of "Governmental Ethics: Departmental Liaison, Training, and Compliance." At its meeting of August 9, 2006, the Board adopted Report No. 06-233 designating Harold Fujita, Director of Human Resources, as the Department's Liaison to the City Ethics Commission in fulfillment of the Mayor's Directive. Part of the responsibility of the newly designated Ethics Liaison was to review Schedule A and Schedule B of the Department's Conflict of Interest Code to ensure they are current and correct.

Schedule A is a list of our Department's "designated positions." It lists positions with responsibility for making or participating in making governmental decisions. By virtue of making or participating in making such decisions, incumbents in these positions are required to file Statements of Economic Interests and are referred to as "designated filers." Schedule A was reviewed and revised to make it current.

Schedule B is a list of our Department's "disclosure categories." These categories are linked to the designated positions listed on Schedule A, specify the types of financial interests that must be reported by designated filers on their Statements of Economic Interests, and are based on the level and type of decision-making authority of each designated position. Schedule B was reviewed and revised to make it current.

As an example to the above, the Department's Board of Commissioners are "designated filers" on Schedule A with a "disclosure category" of 1 as follows:
