RECOMMENDATIONS

- 1. Approve the proposed Agreement (Agreement) with Julio C. Douglas, Sole Proprietor (Concessionaire) for the operation and management of the Echo Park Boathouse Café Concession (Concession) for a term of two (2) years commencing on September 14, 2022, in substantially the form attached to this Report as Attachment 1 and subject to approval as to form by the City Attorney;
2. Find as the contract awarding authority, in accordance with Charter Section 371(e)(10) and 372, that the use of competitive bidding or proposals for the services to be provided by Concessionaire are undesirable and impractical as Concessionaire's services are immediately desired on a temporary basis while the Department of Recreation and Parks (RAP) prepares a competitive solicitation process for the Concession and Concessionaire was the only vendor who submitted a proposal in connection with RAP's previous outreach efforts for the Concession;
2. Find, in accordance with Charter Section 1022, that it is necessary, feasible, and

economical to secure these services by contract as RAP lacks sufficient and necessary personnel to undertake these specialized professional services;

3. Authorize the General Manager or Designee to execute the proposed Agreement substantially in the form attached to this report (Attachment 1) upon receipt of all necessary approvals and to make any necessary technical changes consistent with the Board's intent in approving this report and proposed Agreement;
4. Find that the project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Article III, Section 1, Class 1(14) [Issuance, renewal or amendment of any lease, license or permit to use an existing structure or facility involving negligible or no expansion of use] of City CEQA Guidelines and Article 19, Section 15301 of California CEQA Guidelines and direct RAP staff to file a Notice of Exemption (NOE) with the Los Angeles County Clerk; and,
5. Authorize RAP's Chief Accounting Employee to prepare a check to the Los Angeles County Clerk in the amount of \$75.00 for the purpose of filing a Notice of Exemption (NOE).

SUMMARY

The Echo Park Boathouse Café Concession (Concession) is situated within the fifteen hundred (1,500) square foot Echo Park Boathouse (Boathouse), located at 751 N. Echo Park Avenue Los Angeles, CA 90026, on the east side of Echo Park Lake (Lake).

On April 20, 2016, the Board of Recreation and Parks Commissioners (Board) approved a Request for Proposals (RFP) for the operation and maintenance of the Concession with a term of five (5) years, with one (1) five (5) year renewal option through Report No. 16-093 (Attachment 2). In response, RAP received two proposals on June 21, 2016: One from MDDJ and another from MTI, Investments Inc. (MTI). On October 19, 2016, the Board approved the award of the contract to MTI for a term of five (5) years through Board Report 16-224 (Attachment 3) and it was executed on April 3, 2017. MTI subsequently filed an Articles of Incorporation to continue to operate under a different name, Arete Vintage Reserve (Arete). However, in 2020, the COVID-19 pandemic brought on many challenges for Arete and on October 1, 2020, prior to the expiration of the five (5) year term of the Agreement, Arete informed RAP it was no longer able to sustain operations at the Concession due to financial challenges, and vacated the Concession premises in December 2020.

Due to the vacancy and the immediate need to secure a food and beverage concession at the premises for the public, RAP conducted outreach in 2021 to local similar businesses interested in operating the Concession on an immediate, short-term basis and requested interested vendors

to submit a proposal for the Concession operation. Julio C. Douglas, operator of the nearby Street Level Café, was the only person/entity that submitted a proposal and on September 14, 2021, RAP issued a one (1) year permit to Mr. Douglas to operate the café as The Echo Park Boathouse Bistro. Issuing the permit allowed RAP staff time to analyze market conditions during the pandemic and after the closure of Echo Park in connection with renovations at the park. RAP staff has determined that additional time is needed for a thorough assessment of the Concession and market conditions post the pandemic and for the development of an RFP for a long term Agreement for the Concession. Therefore, RAP staff recommends that a two year agreement with the Concessionaire be approved in the form attached as Attachment 1 to this Report. The Agreement would have an effective commencement date of September 14, 2022 to coincide with the expiration of the initial permit to the Concessionaire.

The Echo Park Boathouse Bistro offers a food and beverage menu (Attachment 4) that includes breakfast and lunch options serving specialty coffee, smoothies, breakfast sandwiches, chicken and waffles, salads, and fresh fruit. The menu is currently being upgraded to include hot soups as a winter food option. Beer and wine will be served upon approval of a pending Alcoholic Beverage Control (ABC) license. The outdoor seating area was increased to expand seating capacity and enhance the café's ambiance.

ENVIRONMENTAL IMPACT STATEMENT

The proposed project consists of issuance of a license to use an existing structure, involving negligible or no expansion of use.

According to the parcel profile report retrieved December 7, 2022, this area resides in a liquefaction and in a methane zone but the issuance of a permit of use or food consumption will not create conditions that could lead to liquefaction or expose citizens to the risks related to methane seepage. Therefore, there is no reasonable possibility that the proposed Project may impact on an environmental resource of hazardous or critical concern or have a significant effect due to unusual circumstances.

No other known projects would involve cumulatively significant impacts, and future projects that are related to this permit will be evaluated according to the California Environmental Quality Act (CEQA). As of December 7, 2022, the State Department of Toxic Substances Control (DTSC) (Envirostor at www.envirostor.dtsc.ca.gov) and the State Water Resources Control Board (SWCB) (Geotracker at <https://geotracker.waterboards.ca.gov/>) have not listed the Project site or any contaminated sites near the project area (within 500 feet). According to the Caltrans Scenic Highway Map there is no scenic highway located within the vicinity of the proposed Project or within its site. The proposed project is located within Echo Park a City of Los Angeles Historic Cultural Monument (HCM #836). However, since the site has been historically used as a café, the proposed project will not cause a substantial adverse change in the significance of any historical resource.

Based in this information, staff recommends that the Board of Recreation and Parks

Commissioners (Board) determines that it is categorically exempt from the provisions of the CEQA pursuant to Article III, Section 1, Class 1(14) of City CEQA Guidelines as well as to Article 19, Section 15301 of California CEQA Guidelines. Staff will file a Notice of Exemption with the Los Angeles County Clerk upon Board's approval.

FISCAL IMPACT STATEMENT

To date, Concessionaire has paid approximately \$25,000 to RAP in rental payments. This Agreement would guarantee a revenue share fee of the greater of \$2000.00 a month (\$3,000 starting March 1, 2023 or the date on which Concessionaire receives an ABC license, whichever is earlier) or a percentage of gross receipts as follows: Five percent (5%) on all sales of food and non-alcoholic beverages, plus eight percent (8%) on all sales of alcohol.

STRATEGIC PLAN INITIATIVES AND GOALS

Approval of this Report advances RAP's Strategic Plan by supporting:

Goal No. 6: Build Financial Strength & Innovative Partnerships

Outcome No. 2 Improved management of rental facilities and concessions

Result: The approval of this Report will allow park visitors and the neighboring community to continue to enjoy high quality food and beverage for their enjoyment while generating revenue to RAP.

**CONCESSION AGREEMENT FOR
OPERATION AND MANAGEMENT OF ECHO PARK BOATHOUSE CAFÉ**

THIS Agreement (hereinafter “AGREEMENT” or “CONTRACT”) is made and entered into this _____ day of _____, 202_, by and between the CITY OF LOS ANGELES, a municipal corporation (hereinafter referred to as “CITY”) acting by and through its Department of Recreation and Parks (hereinafter referred to as “RAP”), and JULIO C. DOUGLAS, a Sole Proprietor (hereinafter referred to as “CONCESSIONAIRE”).

WHEREAS, RAP seeks to serve the public by providing food and beverage services at the Echo Park Lake Boathouse Café (hereinafter “CONCESSION”); and

WHEREAS, RAP finds, in accordance with Charter Section 1022, that it is necessary, feasible and economical to secure these services by contract as it lacks available personnel in its employ with sufficient expertise to undertake these specialized services; and

WHEREAS, RAP finds, pursuant to Charter Section 371(e)(10), and Los Angeles Administrative Code Section 10.15(a)(10), that the use of competitive bidding would be undesirable, impractical or otherwise excused by the common law and the Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by RAP for the redevelopment, operation and maintenance of this CONCESSION; and

WHEREAS, RAP found it is necessary to conduct outreach to local similar businesses to operate the Echo Park Lake Boathouse Café due the CONCESSION being suddenly vacated by the previous operator; and

WHEREAS, CONCESSIONAIRE was the only respondent to such outreach; and

WHEREAS, having reviewed CONCESSIONAIRE’s ability to operate the CONCESSION, RAP issued a one (1) year permit to CONCESSIONAIRE to operate the CONCESSION on a temporary basis to allow time for RAP to test the market for the CONCESSION during the COVID-19 pandemic and after the temporary closure of the park for renovations; and

WHEREAS, RAP AND CONCESSIONAIRE desire to enter into this Agreement for the operation and management of the CONCESSION, to provide food, beverage and related services to the public.

While CONCESSIONAIRE is granted the exclusive right to sell food and beverages to the general public at the PREMISES, this exclusive right does not prohibit private parties from preparing or bringing their own food and drinks to the area, nor does it prohibit RAP from hiring outside caterers for RAP-hosted events.

In the event of a conflict between CONCESSIONAIRE and any other concessionaire or any lessee at the FACILITY regarding the services to be offered or products to be sold by respective concessionaires or lessees, RAP shall meet and confer with all necessary parties to determine the services to be offered or products to be sold by each, and CONCESSIONAIRE hereunder agrees thereafter to be bound by said determination.

City shall deliver PREMISES to CONCESSIONAIRE in "as is" condition.

CONCESSIONAIRE shall not use or allow the PREMISES to be used, in whole or in part, during the term of the AGREEMENT, for any use in violation of any present or future laws, ordinances, rules, and regulations at any time applicable thereto of any public or governmental authority or agencies, departments or officers thereof, including CITY, relating to sanitation or the public health, safety or welfare or operations at and use of the PREMISES.

SECTION 4. TERM OF AGREEMENT

The term of the AGREEMENT shall be two (2) years, commencing on September 14, 2022 ("Commencement Date"). This AGREEMENT may be terminated at any time by CONCESSIONAIRE or GENERAL MANAGER, by giving at least thirty (30) days written notice to the other party stating the date upon which this AGREEMENT shall terminate.

RAP may terminate this AGREEMENT upon execution of a new Concession Agreement for the PREMISES, including execution of a contract resulting from a Request for Proposal. Upon receipt of a written notice of termination, CONCESSIONAIRE agrees to discontinue occupancy and/or any activity being performed on or within the PREMISES. The right of the GENERAL MANAGER to terminate this AGREEMENT is and shall remain unconditional. Neither CITY, nor any BOARD member, officer, or employee thereof shall be liable in any manner to CONCESSIONAIRE because of any action taken to terminate this AGREEMENT or to decline to exercise an option to extend the term of this AGREEMENT.

RAP shall have the right to reenter the PREMISES on the effective date of termination without further notice of any kind, remove any and all persons therefrom and may regain and resume possession either with or without the institution of summary or legal proceedings or otherwise, and

may permit any other person, firm or corporation to enter upon the PREMISES and use the same.

SECTION 5. OPERATING RESPONSIBILITIES

CONCESSIONAIRE shall, at all times during the term of the AGREEMENT, comply with the following conditions:

A. Cleanliness

CONCESSIONAIRE shall, at its own expense, keep the PREMISES and the surrounding area [at least twenty-five (25) feet] clean and sanitary at all times. CONCESSIONAIRE shall furnish all equipment and materials necessary therefore, including trash receptacles of a size, type, and number approved by RAP. 2. CONCESSIONAIRE agrees that in the event of breach of any of the above nondiscrimination covenants, with proper notification as per Section PSC-9 of the Standard Provisions, CITY shall have the right to terminate the AGREEMENT and to reenter and repossess said PREMISES and the facilities thereon and hold the same as if said AGREEMENT had never been executed.
3. In addition, CONCESSIONAIRE, during the term of the AGREEMENT, agrees not to unjustly discriminate in its employment practices against any employee or applicant for employment because of the employee's or applicant's race, color, religion, national origin, ancestry, sex, age, physical disability, or sexual orientation. All subcontracts entered into by CONCESSIONAIRE shall be approved in advance by CITY and shall contain a like provision.

E. Personnel

1. Freedom from Tuberculosis

For employees preparing food, and others as required by statute (reference Section 5163 of the California Public Resources Code) or directive of RAP, CONCESSIONAIRE shall provide RAP with certificates on applicable employees indicating freedom from communicable tuberculosis.

2. Qualified Personnel

CONCESSIONAIRE will, in the operation of the CONCESSION, employ or permit the employment of only such personnel as will assure a high standard of service to the public and cooperation with RAP. All such personnel, while on or about the PREMISES, shall be neat in appearance and courteous at all times and shall be appropriately attired, with badges or other suitable means of identification. No person employed by CONCESSIONAIRE, while on or about the PREMISES, shall be under the influence of illegal drugs, narcotics, other controlled substances or alcohol, or use inappropriate language, or engage in otherwise inappropriate conduct for a work environment. In the event an employee is not satisfactory, RAP may direct CONCESSIONAIRE to remove that person from the PREMISES.

3. Concession Manager

CONCESSIONAIRE shall appoint, subject to written approval by RAP, a Concession Manager of CONCESSIONAIRE'S operations at the FACILITY.

Such person must be a qualified and experienced manager or supervisor of operations, vested with full power and authority to accept service of all notices provided for herein and regarding operation of the CONCESSION, including the quality and prices of goods and services, and the appearance, conduct, and demeanor of CONCESSIONAIRE'S agents, servants, and employees. The Concession Manager shall be available during regular business hours and, at all times during that person's absence, a responsible subordinate shall be in charge and available.

The Concession Manager shall devote the greater part of his or her working time and attention to the operation of the CONCESSION and shall promote, increase and

develop the CONCESSION. During the days and hours established for the operation of the CONCESSION, the Concession Manager's personal attention shall not be directed toward the operation of any other business activity.

If, for reasons of ill health, incapacitation, or death, the Concession Manager becomes incapable of performing each and all terms and provisions of the AGREEMENT, CONCESSIONAIRE must immediately assign a new Concession Manager, subject to RAP approval. If a new manager is not assigned within three business days, RAP may, in its sole discretion, suspend the AGREEMENT and all terms and conditions contained therein.

4. **Approval of Employees, Volunteers and Subcontractors**

RAP shall have the right to approve or disapprove all employees, volunteers and subcontractors (including all employees and volunteers for any subcontractor) of CONCESSIONAIRE. Failure of CONCESSIONAIRE to obtain RAP's written approval of all persons operating under the authority of this AGREEMENT on PREMISES shall be a material breach of this AGREEMENT. CONCESSIONAIRE shall submit a list of all persons employed by, or volunteering or subcontracting for, CONCESSIONAIRE at PREMISES to RAP prior to commencing operations pursuant to this AGREEMENT. All changes to the approved list of employees, volunteers and subcontractors shall be submitted to RAP for written approval prior to any employee, volunteer or subcontractor commencing work at the PREMISES. CONCESSIONAIRE shall not hire as an employee or volunteer, or subcontract with, any person whom RAP would be prohibited from hiring as an employee or volunteer pursuant to California Public Resources Code Section 5164 to perform work at PREMISES. CONCESSIONAIRE must have each employee, volunteer or subcontractor (including all employees or volunteers of any subcontractor) who is located on site, fingerprinted and each shall be required to fill out a form requesting the information required by Section 5164. RAP reserves the right to conduct a Department of Justice criminal background check on any such person prior to approving their employment, volunteer service or subcontract. Failure to comply with this hiring standard shall be a material breach of this AGREEMENT and CONCESSIONAIRE shall immediately remove any employee, volunteer or subcontractor from the PREMISES at RAP's instruction.

F. **Menu and Pricing**

1. RAP agrees that CONCESSIONAIRE'S menu items, including its price for same, shall be within CONCESSIONAIRE'S discretion; subject, however, to disapproval by RAP if the selection of items offered is inadequate, of inferior quality, or if any of said prices are excessively high or low in the sole opinion of RAP. Such determination shall not be unreasonable and shall take into account the business considerations presented by CONCESSIONAIRE. All prices shall be comparable to prices charged in similar establishments in the City. CONCESSIONAIRE shall, upon execution of AGREEMENT, provide RAP with a list of prices for all menu items. This list shall be updated and resubmitted to RAP whenever prices are changed.
2. All menu items and service, offered for sale and/or sold by CONCESSIONAIRE in said PREMISES must be related to the ordinary business of the CONCESSION. CONCESSIONAIRE shall offer for sale to the public a full range of freshly prepared food items, pre-prepared and packaged items and beverages.

3. The sale of beer and wine is permitted at the CONCESSION. CONCESSIONAIRE shall post signs prohibiting the sale of alcoholic beverages to minors and shall take all additional necessary action(s) to ensure that beer and wine are not dispensed to minors. Sale of alcoholic beverages requires a license from and compliance with the rules and regulations of the Alcoholic Beverage Control Board (ABC).
4. CONCESSIONAIRE shall offer for sale to the public a variety of healthy choice options for food and beverages. This includes the availability of fresh fruits and fresh vegetables, 100% juice, beverages that contain at least 50% fruit juice with no added sweeteners, and providing healthy snacks as defined by the California Education Code (Part 27, Chapter 9, Article 2.5, Section 49431(a), Subsections 2 and 3). CONCESSIONAIRE expressly agrees to comply with all CITY and RAP food programs. Menus must also include vegan protein entrée options for those patrons following a plant-based diet. CONCESSIONAIRE expressly agrees to comply with all CITY and RAP food programs.
5. CONCESSIONAIRE shall not use artificial trans-fat (e.g., industrially created partial hydrogenation plant oils) in the preparation of food products. All prepared food items are to be free of artificial trans-fat. CONCESSIONAIRE shall attempt to use only artificial trans-fat free prepackaged food items.
6. CONCESSIONAIRE will implement the proposed plan based on the Good Food Purchasing Program from the Los Angeles Food Policy Council as approved by RAP and shall comply with the terms of the Good Food Purchasing Program (Exhibit C). All food and beverage subcontractors selected by CONCESSIONAIRE shall be subject to the approval of GENERAL MANAGER.
7. All menu items sold or kept for sale by CONCESSIONAIRE shall be of first class, high-quality and acceptable to all industry standards and conform to all federal, state, and municipal laws, ordinances, and regulations in every respect. No imitation, adulterated, misbranded, or impure articles shall be sold or kept for sale by CONCESSIONAIRE and all edible merchandise kept on hand shall be stored and with due regard for sanitation.

In addition, no substitutes, fillers, dilutants, nor reduction in size of standard manufactured or processed food products will be permitted. All menu items kept for sale by CONCESSIONAIRE shall be subject to the approval or rejection of GENERAL MANAGER, and CONCESSIONAIRE shall remove from the PREMISES any article, which may be rejected and shall not offer it for sale without the consent of GENERAL MANAGER. GENERAL MANAGER may order the improvement of the quality of any merchandise kept or offered for sale.
8. CONCESSIONAIRE shall minimize the paper items (straw wrappers, serving cartons, etc.) distributed with take-out CONCESSION products. CONCESSIONAIRE shall be prohibited from selling merchandise in non-recyclable bottles, and shall not dispense take-out food or beverage items in glass or Expanded Polystyrene (EPS) / Styrofoam containers. The sale of individual plastic bottled water is prohibited. CONCESSIONAIRE shall not sell or give away or otherwise dispose of any commodity which in the opinion of GENERAL MANAGER will cause undue litter or negatively impact the environment. CONCESSIONAIRE expressly

agrees to comply with all RAP and CITY recycling programs and policies regarding plastic straws and single-use plastic.

9. CONCESSIONAIRE shall not sell lottery tickets or similar type merchandise.

G. Diversion of Business

CONCESSIONAIRE shall not divert, cause, allow, or permit to be diverted any business from the PREMISES and shall take all reasonable measures, in every proper manner, to develop, maintain, and increase the business conducted by it under this AGREEMENT.

H. Equipment, Furnishings, and Expendables

All equipment, furnishings, and expendables required for said CONCESSION shall be purchased and installed by CONCESSIONAIRE at its sole expense and shall remain its personal property.

As a courtesy, CITY shall at no cost to CONCESSIONAIRE, provide certain equipment (which shall remain the property of CITY) as specified in the City-Owned Equipment List (Exhibit D). The CITY reserves the right to remove or salvage any and all items of City-Owned Equipment. CITY shall not be responsible for the replacement or repair of said items. No equipment provided by CITY shall be removed or replaced by CONCESSIONAIRE without the prior written consent of RAP.

Upon termination of the AGREEMENT, CONCESSIONAIRE shall have the right to remove its own personal property, but not improvements or RAP property, from the PREMISES and shall be allowed a period of three (3) calendar days to complete such removal. If not removed within that period, said personal property shall become the property of RAP.

I. Maintenance of Equipment

CONCESSIONAIRE shall, at all times and at its expense, keep and maintain all equipment, whether owned and/or installed by CONCESSIONAIRE or RAP, together with all of the fixtures, plate and mirror glass, appliances, countertops and kitchen cabinetry, indoor and outdoor furniture and personal property therein, in good repair and in a clean, sanitary, and orderly condition and appearance. RAP will be responsible for utility lines and repairs, including telephone; heat exchangers, fans, controls and electric panels; all plumbing and refrigeration, and the exterior of the PREMISES.

All maintenance, repairs and replacement of all equipment shall be performed at the sole expense of CONCESSIONAIRE. CONCESSIONAIRE may elect to not use RAP-owned equipment, with prior written consent of RAP.

J. Claims for Labor and Materials

The CONCESSIONAIRE shall promptly pay when due all amounts payable for labor and materials furnished in the performance of the AGREEMENT so as to prevent any lien or other claim under any provision of law from arising against RAP property (including reports, documents, and other tangible matter produced by CONCESSIONAIRE hereunder), against CONCESSIONAIRE's rights hereunder, or against RAP, and shall pay all amounts due under the California Unemployment Insurance Code with respect to such labor.

K. Signs and Advertisements

CONCESSIONAIRE shall not erect, construct, or place any signs, banners, ads, or displays of any kind whatsoever upon any portion of RAP property without the prior written approval from RAP, who may require the removal or refurbishment of any sign previously approved. Certain signs and advertisements may also require the prior written approval of other appropriate agencies.

CONCESSIONAIRE shall place a public notice that CONCESSIONAIRE operates the CONCESSION. The address and phone number of CONCESSIONAIRE will be shown along with the notation that all complaints should be referred directly to CONCESSIONAIRE.

At FACILITY, CONCESSIONAIRE shall provide the following credit, or as proportions of signage allow, similar credit as approved by RAP in writing:

“In Collaboration with the City of Los Angeles Department of Recreation and Parks.”

Upon expiration or termination of this AGREEMENT, CONCESSIONAIRE shall, at its own expense, remove or paint out, as RAP may direct, any and all of its signs and displays on the PREMISES and in connection therewith, shall restore said PREMISES and improvements thereto to the same condition as prior to the placement of any such signs or displays.

RAP may, at its discretion, install umbrellas or canopy shade structures bearing the City's or RAP logo. Said umbrellas or canopy shade structures shall be provided by RAP at no cost to CONCESSIONAIRE. RAP-issued umbrellas and/or canopy shade structures shall remain City property and shall be returned to RAP upon the expiration or earlier termination of this AGREEMENT.

L. Utilities

CONCESSIONAIRE shall be responsible for utility charges associated with the CONCESSION. Concessionaire shall pay \$450.00 a month to RAP for the utility services of water, electricity, and natural gas. Charges may include, but are not limited to, deposits, installation costs, meter deposits, and all service charges for gas, electricity, heat, air-conditioning, and other utility services to PREMISES, and shall be paid by CONCESSIONAIRE regardless of whether such utility services are furnished by CITY or by other utility service providers. CONCESSIONAIRE will pay directly for telephone and internet/Wi-Fi services, which will be in the name of CONCESSIONAIRE.

CONCESSIONAIRE hereby expressly waives all claims for compensation, or for any diminution or abatement of the rental payment provided for herein, for any and all loss or damage sustained by reason of any defect, deficiency, or impairment of the water, heating, or air conditioning systems, electrical apparatus, or wires furnished to the PREMISES which may occur from time to time and from any cause or from any loss resulting from water, earthquake, wind, civil commotion, or riot; and CONCESSIONAIRE hereby expressly releases and discharges CITY and its officers, employees, and agents from any and all demands, claims, actions, and causes of action arising from any of the aforesaid causes.

In all instances where damage to any utility service line is caused by CONCESSIONAIRE, its employees, contractors, sub-contractors, suppliers, agents, or invitees, CONCESSIONAIRE shall be responsible for the cost of repairs and any and all damages occasioned thereby.

Water and electricity shall be utilized by CONCESSIONAIRE in the most efficient manner

possible, and CONCESSIONAIRE expressly agrees to comply with all CITY water conservation programs. At the discretion of the General Manager, RAP may require CONCESSIONAIRE to establish recyclables collection and/or implement additional waste diversion strategies within the CONCESSION PREMISES.

CONCESSIONAIRE shall reimburse RAP if any utility charges are paid by RAP.

T. Quiet Enjoyment

RAP agrees that CONCESSIONAIRE, upon payment of the fees and charges specified herein, and all other charges and payments to be paid by CONCESSIONAIRE under the terms of this AGREEMENT, and upon observing and keeping the required terms, conditions and covenants of this AGREEMENT, shall lawfully and quietly hold, use and enjoy the PREMISES during the term of this AGREEMENT. In the case of disputes, during the life of the AGREEMENT, over any conditions which may impede upon CONCESSIONAIRE's quiet enjoyment of the PREMISES, RAP shall have final determination of any solution to such dispute; RAP's final determination shall be binding upon all parties in such dispute.

D. Monthly Revenue Reports

CONCESSIONAIRE shall transmit with each payment a Monthly Revenue Report (Exhibit F) for the month for which a payment is submitted.

E. Late Payment Fee

Failure of CONCESSIONAIRE to timely pay any the monthly rental payment or any other fees, changes, or payments required herein is a breach of the AGREEMENT for which RAP may terminate same or take such other legal action as it deems necessary.

Without waiving any rights available at law, in equity or under the AGREEMENT, in the event of late or delinquent payments by CONCESSIONAIRE, the latter recognizes that RAP will incur certain expenses as a result thereof, the amount of which is difficult to ascertain. Therefore, in addition to monies owing, CONCESSIONAIRE agrees to pay RAP a late fee set forth below to compensate RAP for all expenses and/or damages and loss resulting from said late or delinquent payments.

The charges for late or delinquent payments shall be One Hundred Fifty Dollars (\$150.00) for each month late plus interest calculated at the rate of eighteen percent (18%) per annum, assessed monthly, on the balance of the unpaid amount. Payments shall be considered past due if postmarked after the fifteenth (15th) day of the month in which payment is due.

The acceptance of late payments by RAP shall not be deemed as a waiver of any other breach by CONCESSIONAIRE of any term or condition of this AGREEMENT other than the failure of CONCESSIONAIRE to timely make the particular payment so accepted.

- F. **Compliance with Identity Theft Laws and Payment Card Data Security Standards:** CONCESSIONAIRE agrees to comply with all Identity Theft Laws including without limitation, Laws related to: 1) Payment Devices; 2) Credit and Debit Card Fraud; and 3) the Fair and Accurate Credit Transactions Act (FACTA), including its requirement relating to the content of Transaction Receipts provided to Customers. CONCESSIONAIRE also agrees to comply with all requirements related to maintaining compliance with Payment Card Industry Data Security Standards (PCI DSS). During the performance of any service to replace, install, program or update Payment Devices equipped to conduct Credit or Debit Card transactions, including PCI DSS services, CONCESSIONAIRE agrees to verify proper truncation of receipts in compliance with FACTA. CONCESSIONAIRE understands that failure to ensure proper truncation will result in the imposition of liability and defense costs that may arise out of consequent litigation.

SECTION 8. ADDITIONAL FEES AND CHARGES

- A. If RAP pays any sum or incurs any obligations or expense, for which CONCESSIONAIRE has agreed to pay or reimburse RAP, or if RAP is required or elects to pay any sum or to incur any obligations or expense by reason of the failure, neglect, or refusal of CONCESSIONAIRE to perform or fulfill any one or more of the conditions, covenants, or agreements contained in the AGREEMENT, or as a result of an act or omission of CONCESSIONAIRE contrary to said conditions, covenants, and agreements, CONCESSIONAIRE agrees to pay RAP the sum so paid or the expense so incurred, including all interest, costs, (including RAP'S fifteen percent (15%) administrative overhead cost), damages, and penalties. This amount shall be added to the rental payment thereafter due hereunder, and each and every part of the same shall be and become additional rental payment, recoverable by RAP in the same manner and with like remedies as if it were originally a part of the basic rental payment set forth in Section 7 hereof.
- B. For all purposes under this Section, and in any suit, action, or proceeding of any kind between the parties hereto, any receipt showing the payment of any sum by RAP for any work done or material furnished shall be prima facie evidence against CONCESSIONAIRE that the amount of such payment was necessary and reasonable. Should RAP elect to use its own personnel in making any repairs, replacements, and/or alterations, and to charge CONCESSIONAIRE with the cost of same, receipts and timesheets will be used to establish the charges, which shall be presumed to be reasonable in absence of contrary proof submitted by CONCESSIONAIRE.
- C. Use of the PREMISES for purposes not expressly permitted herein, whether approved in writing by RAP or not, may result in additional charges; however, any such use without the prior written approval of RAP shall also constitute a material breach of AGREEMENT and is prohibited.

SECTION 9. INSURANCE

CONCESSIONAIRE shall follow insurance guidelines in the STANDARD PROVISIONS (Exhibit A); provide and maintain the Required Insurance and Minimum Limits (Exhibit G); and follow the Instructions and Information on Complying with City Insurance Requirements (Exhibit G).

SECTION 10. MAINTENANCE OF PREMISES

During all periods that the PREMISES are used or are under the control of CONCESSIONAIRE for the uses, purposes, and occupancy aforesaid, CONCESSIONAIRE shall be responsible for all necessary janitorial duties and damage/maintenance repairs, to the satisfaction of RAP. The cause of said maintenance, cleaning and repairs may result from normal wear and tear, as well as vandalism.

A. Interior of Premises

1. Areas to be maintained by CONCESSIONAIRE:

CONCESSIONAIRE shall, at its own expense, keep and maintain all the interior walls and surfaces of PREMISES and all improvements, fixtures, and utility systems which may now or hereafter exist thereon, whether installed by RAP or CONCESSIONAIRE. Improvements shall include all buildings and appurtenances recessed into or attached by any method to the ground or to another object which is recessed or attached to the ground or to other CITY-owned facilities (such as buildings, fences, posts, signs, electrical hook-ups, plumbing, tracks, tanks, etc.).

CONCESSIONAIRE shall provide all maintenance, repair, and service required on all interior areas, surfaces, and equipment used in the PREMISES and keep such equipment in good repair and in a clean and orderly condition and appearance. CONCESSIONAIRE shall also be responsible for electrical, mechanical, and plumbing maintenance in the interior of the PREMISES, such as lighting fixtures, sinks, and faucets; however, CITY shall be responsible for maintenance of utility lines and drains within the walls and floors of the CONCESSIONAIRE PREMISES. Insofar as sanitation and appearance of the PREMISES is concerned, RAP may direct CONCESSIONAIRE to perform necessary repairs and maintenance to the interior of the structure or to the equipment, whether the equipment is CONCESSIONAIRE or RAP property.

2. Duties:

CONCESSIONAIRE'S maintenance duties shall include all sweeping, washing, servicing, repairing, replacing, cleaning, and interior painting that may be required to properly maintain the PREMISES in a safe, clean, operable, and attractive condition. CONCESSIONAIRE shall provide for such repairs, replacements, rebuilding, and restoration as may be required by or given prior written approval by RAP to comply with the requirements hereof. Those duties shall also include electrical, mechanical, and plumbing maintenance in the interior of the PREMISES, such as light fixtures, toilets, and faucets.

B. Exterior of Premises and Common Passageways

RAP shall maintain the exterior of all buildings and will endeavor to perform all exterior repairs occasioned by normal wear and tear, and the elements, unless otherwise provided for in the AGREEMENT. Common passageways leading to other CONCESSION facilities or offices maintained by RAP which also lead to the PREMISES shall not be considered under the control of CONCESSIONAIRE for purposes of this Section. In addition, RAP shall be responsible for maintenance of the lawn area within the perimeter of the PREMISES, including mowing and watering, and shall maintain all existing landscaping, trees, and bushes on the PREMISES. CITY shall also maintain the existing water, drain and sewer systems, provided, however, that CONCESSIONAIRE shall make every effort not to clog such systems with debris from all operations.

C. Correction of Conditions Leading to Damage

If CONCESSIONAIRE fails, after written notice, to correct such conditions which have led or, in the opinion of RAP, could lead to significant damage to CITY property, RAP may at its option, and in addition to all other remedies which may be available to it, repair, replace, rebuild, redecorate or paint any such PREMISES included in said notice, with the cost thereof, plus fifteen percent (15%) for administrative overhead, to be paid by CONCESSIONAIRE to RAP on demand. If, for any reason, payment of such fees becomes delinquent, RAP may, in its sole discretion, suspend the AGREEMENT and all terms and conditions contained therein.

D. Property Damage and Theft Reporting

CONCESSIONAIRE shall complete and submit to RAP a "Special Occurrence and Loss Report," (Exhibit H) in the event that the PREMISES and/or CITY-owned property is damaged or destroyed, in whole or in part, from any cause whatsoever, and in the event of theft, burglary, or other crime committed on the PREMISES. Blank forms for this purpose shall be provided by RAP.

E. Damage or Destruction to Premises

1. Partial Damage

If all or a portion of the PREMISES are partially damaged by fire, explosion, flooding inundation, floods, the elements, public enemy, or other casualty, but not rendered uninhabitable, the same will be repaired with due diligence by RAP at its own cost and expense, subject to the limitations as hereinafter provided; if said damage is caused by the negligent acts or omissions of CONCESSIONAIRE, its agents, officers, or employees, CONCESSIONAIRE shall be responsible for reimbursing RAP for the cost and expense incurred in making such repairs.

2. Extensive Damage

If the damages as described above in "Partial Damage" are so extensive as to render the PREMISES or a portion thereof uninhabitable, but are capable of being repaired within a reasonable time not to exceed sixty (60) days, the same shall be repaired with due diligence by RAP at its own cost and expense and a negotiated portion of the fees and charges payable hereunder shall abate from the time of such damage until such time as the PREMISES are fully restored and certified by RAP as again ready for use; provided, however, that if such damage is caused by the negligent acts or omissions of CONCESSIONAIRE, its agents, officers, or employees, said fees and charges will not abate and CONCESSIONAIRE shall be responsible for the cost and expenses incurred in making such repairs.

3. Complete Destruction

In the event all or a substantial portion of the PREMISES are completely destroyed by fire, explosion, the elements, public enemy, or other casualty, or are so damaged that they are uninhabitable and cannot be replaced except after more than sixty (60) days, RAP shall be under no obligation to repair, replace or reconstruct said PREMISES, and an appropriate portion of the fees and charges payable hereunder shall abate as of the time of such damage or destruction and shall henceforth cease until such time as the said PREMISES are fully restored. If within four (4) months after the time of such damage or destruction said PREMISES have not been repaired or reconstructed, CONCESSIONAIRE may terminate this AGREEMENT in

its entirety as of the date of such damage or destruction. Notwithstanding the foregoing, if said PREMISES, or a substantial portion thereof, are completely destroyed as a result of the negligent acts or omissions of CONCESSIONAIRE, its agents, officers, or employees, said fees and charges shall not abate and RAP may, in its discretion, require CONCESSIONAIRE to repair and reconstruct the same within twelve (12) months of such destruction and CONCESSIONAIRE shall be responsible for reimbursing RAP for the cost and expenses incurred in making such repairs. CONCESSIONAIRE shall continue paying RAP rent as determined above during the rebuilding of the facility.

4. **Limits of RAP'S Obligation Defined**

In the application of the foregoing provisions, RAP may, but shall not be obligated to, repair or reconstruct the PREMISES. If RAP chooses to do so, CITY'S obligation shall also be limited to repair or reconstruction of the PREMISES to the same extent and of equal quality as obtained by CONCESSIONAIRE at the commencement of its operations hereunder. Redecoration and replacement of furniture, equipment and supplies shall be the responsibility of CONCESSIONAIRE and any such redecoration and refurbishing/reequipping shall be equivalent in quality to that originally installed.

F. **Pest Control**

Unless otherwise specified in the AGREEMENT, CONCESSIONAIRE shall be responsible for pest control in and around the PREMISES, including but not limited to, abatement of insects (including roaches, bees, etc.), spiders, rodents, vermin, and other nuisance pests, if the pests are found in or on structures or areas used and maintained by CONCESSIONAIRE, such as any of the following portions of the PREMISES:

Any portion of a building or enclosed structure with walls, roof, and doors, such as the restaurant, storage facilities, banquet facilities, halfway houses, offices and storage containers owned and/or used by CONCESSIONAIRE.

RAP shall be responsible for pest control if pests are found in or on structures or areas maintained by RAP, such as:

1. Open, unfenced areas such as those locations permitted for mobile food if applicable.
2. Shared spaces, restrooms, and other facilities occupied in part by CONCESSIONAIRE but maintained by RAP.
3. Other areas, structures, or facilities adjacent to the PREMISES, but not used by or under the control of CONCESSIONAIRE; or areas, structures, or facilities shared by CONCESSIONAIRE and RAP.

Pest control for pests which may cause permanent structural damage to RAP property (for example, termite infestation) shall be the responsibility of RAP. CONCESSIONAIRE shall take all reasonable measures to reduce the proliferation of pests, including maintaining the PREMISES clean and orderly in accordance with this Section, and keeping wood components painted. RAP may direct CONCESSIONAIRE to take additional measures to abate pests which are an immediate threat to public health or safety. Concessionaire must

abide by any Integrated Pest Management (IPM) Guidelines prescribed by, and at the discretion of, the RAP General Manager.

SECTION 11. PROHIBITED ACTS

CONCESSIONAIRE shall not:

1. Use the PREMISES to conduct any other business operations of CONCESSIONAIRE not related to the CONCESSION.
2. Do or allow to be done anything which may interfere with the effectiveness or accessibility of utility, heating, ventilating, or air conditioning systems or portions thereof on the PREMISES or elsewhere on the FACILITY, nor do or permit to be done anything which may interfere with free access and passage in the PREMISES or the public areas adjacent thereto, or in the streets or sidewalks adjoining the PREMISES, or hinder police, fire fighters or other emergency personnel in the discharge of their duties;
3. Interfere with the public's enjoyment and use of the FACILITY or use of the PREMISES for any purpose which is not essential to the CONCESSION operations;

7. Do or permit to be done any act or thing upon the PREMISES which will invalidate, suspend or increase the rate of any insurance policy required under the AGREEMENT, or carried by RAP, covering the PREMISES, or the buildings in which the same are located or which, in the opinion of RAP, may constitute a hazardous condition that will increase the risks normally attendant upon the operations contemplated under the AGREEMENT, provided, however, that nothing contained herein shall preclude CONCESSIONAIRE from bringing, keeping or using on or about the PREMISES such materials, supplies, equipment and machinery as are appropriate or customary in carrying on its business, or from carrying on said business in all respects as is customary;
8. Use, create, store or allow any hazardous materials as defined in Title 8, Section 339 of the California Code of Regulations, or those which meet the criteria of the above Code, as well as any other substance which poses a hazard to health and environment, provided, however, that nothing contained herein shall preclude

CONCESSIONAIRE from bringing, keeping or using on or about the PREMISES such materials, supplies, equipment and machinery as are appropriate or customary in carrying on its business, or from carrying on said business in all respects as is customary except that all hazardous materials must be stored and used in compliance with all City, State and Federal rules, regulations, ordinances and laws;

9. Allow any sale by auction upon the PREMISES;
10. Permit undue loitering on or about the PREMISES;
11. Use the PREMISES in any manner that will constitute waste;

SECTION 12. RATIFICATION

By its execution hereof, RAP hereby accepts such service subject to all the terms, covenants, and condition of this AGREEMENT, and ratifies its AGREEMENT with CONCESSIONAIRE for such services.

SECTION 13. PERFORMANCE DEPOSIT

CONCESSIONAIRE shall provide RAP a sum equal to Five Thousand Dollars (\$5,000) to guarantee payment of fees and as a damage deposit to be used in accordance with the default provisions of this AGREEMENT.

Form of Deposit

CONCESSIONAIRE'S Deposit shall be in the following form:

A cashier's check drawn on any bank that is a member of the Los Angeles Clearing House Association, which cashier's check is payable to the order of the City of Los Angeles.

B. Maintenance of Deposit

Said Deposit shall be held by RAP during the entire term of the AGREEMENT.

C. Return of Deposit to CONCESSIONAIRE

RAP reserves the right to deduct from the Performance Deposit, any amounts up to and including the full amount of the Deposit as stated herein, owed to RAP by CONCESSIONAIRE as shown by any exit audits performed by RAP, or as compensation to RAP for failure to adhere to or execute the terms and conditions of the AGREEMENT.

SECTION 14. TAXES, PERMITS, AND LICENSES

- A. CONCESSIONAIRE shall obtain and maintain at its sole expense any and all approvals, permits, or licenses that may be required in connection with the operation of the CONCESSION including, but not limited to, tax permits, business licenses, health permits, animal regulation, building permits, police and fire permits, etc.
- B. CONCESSIONAIRE shall pay all taxes of whatever character that may be levied or charged upon the rights of CONCESSIONAIRE to use the PREMISES, or upon CONCESSIONAIRE'S improvements, fixtures, equipment, or other property thereon or upon CONCESSIONAIRE'S operations hereunder. In addition, by executing the AGREEMENT and accepting the benefits thereof, a property interest may be created known as "Possessory Interest" and such property interest will be subject to property taxation. CONCESSIONAIRE, as the party to whom the Possessory Interest is vested, may be subject to the payment of the property taxes levied by the State and County upon such interest.
- C. Pursuant to Section 21.3.3 of Article 1.3 of the LAMC Commercial Tenants Occupancy Tax, CONCESSIONAIRE must pay to the City of Los Angeles for the privilege of occupancy, a tax at the rate of One Dollar and Forty-Eight Cents (\$1.48) per calendar quarter or fractional part thereof for the first One Thousand Dollars (\$1,000.00) or less of charges (rent and utilities) attributable to said calendar quarter, plus One Dollar and Forty-Eight Cents (\$1.48) per calendar quarter for each additional One Thousand Dollars (\$1,000.00) of charges or fractional part thereof in excess of One Thousand Dollars (\$1,000.00). Said tax shall be paid quarterly to RAP, on or before the fifteenth (15th) of April, July, October, January of each calendar year, for the preceding three (3) months. Neither the AGREEMENT nor the rights herein granted shall be assignable or transferable by any process or proceedings in any court, or by attachment, execution, proceeding in insolvency or bankruptcy either voluntary or involuntary, or receivership proceedings. Any attempted assignment, mortgaging, hypothecation, or encumbering of the CONCESSION rights or other violation of the provisions of this Section shall be void and shall confer no right, title or interest in or to the AGREEMENT or right of use of the whole or any portion of the PREMISES upon any such purported assignee, mortgagee, encumbrancer, pledgee or other lien holder, successor or purchaser. For purposes of this Section 15, a change in the majority ownership of CONCESSIONAIRE shall constitute a transfer or assignment of this AGREEMENT for which prior written consent of RAP is required.

SECTION 16. BUSINESS RECORDS

CONCESSIONAIRE shall maintain during the term of the AGREEMENT and for three years thereafter, all of its books, ledgers, journals, and accounts wherein are kept all entries reflecting the gross receipts received or billed by it from the business transacted pursuant to the AGREEMENT. CONCESSIONAIRE shall not purchase or install the POS system, including hardware and software, before obtaining RAP's written approval of the specific hardware and software to be purchased.

The POS system must be able to produce end of day reports including gross receipts by sales categories, and RAP shall be able to obtain the reports if requested.

D. Annual Statement of Gross Receipts and Expenses

CONCESSIONAIRE shall transmit a Statement of Gross Receipts and Expenses (Profit and Loss Statement) for the CONCESSION operations as specified in the AGREEMENT, in a form acceptable to RAP, on or before April 30th, of each calendar year during the term of the AGREEMENT. The charge for late or delinquent Statements shall be One Hundred Dollars (\$100.00) per month or part thereof late.

In addition, RAP may from time to time conduct an audit and re-audit of the books and businesses conducted by CONCESSIONAIRE and observe the operation of the business so that accuracy of the above records can be confirmed. If the report of gross sales made by CONCESSIONAIRE to RAP shall be found to be less than the amount of gross sales disclosed by such audit and observation, CONCESSIONAIRE shall pay RAP within thirty (30) days after billing any additional rentals disclosed by such audit. If discrepancy exceeds two percent and no reasonable explanation is given for such discrepancy, CONCESSIONAIRE shall also pay the cost of the audit.

SECTION 17. REGULATIONS, INSPECTION, AND DIRECTIVES

A. Constitutional and Other Limits on CONCESSIONAIRE'S Rights to Exclusivity

Notwithstanding exclusivity granted to Concessionaire by the terms of this Agreement, the City in its discretion may require Concessionaire, without any reduction in rent or other valuable consideration to Concessionaire, to accommodate the rights of persons to access and engage in expressive activities, as guaranteed by the First Amendment to the United States Constitution, the California Constitution, and other laws, as these laws are interpreted by the City. 4. Any and all applicable local, state and federal laws and regulations relative to the design and installation of facilities to accommodate disabled persons.

C. Permissions

Any permission required by the AGREEMENT shall be secured in writing by CONCESSIONAIRE from CITY or RAP and any errors or omissions therefrom shall not relieve CONCESSIONAIRE of its obligations to faithfully perform the conditions therein. CONCESSIONAIRE shall immediately comply with any written request or order submitted to it by CITY or RAP.

D. Right of Inspection and Access to Concession

CITY, RAP, their authorized representatives, agents and employees shall have the right to enter the PREMISES at any and all reasonable times for the purpose of inspection, evaluation, and observation of CONCESSIONAIRE'S operation. Park Rangers are specifically designated as CITY agents and are empowered by CITY to conduct inspections of the PREMISES, evaluate CONCESSIONAIRE and inform RAP fully as to CONCESSIONAIRE's conduct. During these inspections, they all shall have the right to photograph, film, or otherwise record conditions and events taking place upon the PREMISES. The inspections may be made by persons identified to CONCESSIONAIRE as CITY Employees, or may be made by independent contractors engaged by CITY. Inspections may be made for the purposes set forth below, and for any other lawful purpose for which the CITY or another governmental entity with jurisdiction is authorized to perform inspections of the PREMISES:

1. To determine if the terms and conditions of the AGREEMENT are being complied with.
2. To observe transactions between CONCESSIONAIRE and patrons in order to evaluate the quality of services provided or quality and quantities of items sold or dispensed.
3. To ensure quality control and verify the validity of mandatory operating permits

E. Control of Premises

RAP shall have absolute and full access to the PREMISES and all its appurtenances during the term of the AGREEMENT and may make such changes and alterations therein, and in the grounds surrounding same, as may be determined by RAP. Such determination shall not be unreasonable and shall take into account the business considerations presented by CONCESSIONAIRE.

F. First Source Hiring Ordinance

Unless otherwise exempt in accordance with the provisions of this Ordinance, this AGREEMENT is subject to the applicable provisions of the First Source Hiring Ordinance (FSHO), Section 10.44 et seq. of the LAAC, as amended from time to time.

1. CONCESSIONAIRE shall, prior to the execution of the contract, provide to the Designated Administrative Agency (DAA) a list of anticipated employment opportunities that CONCESSIONAIRE estimates it will need to fill in order to perform the services under the AGREEMENT. The Department of Public Works, Bureau of Contract Administration is the DAA.

2. CONCESSIONAIRE further pledges that it will, during the term of the AGREEMENT:
 - a. At least seven business days prior to making an announcement of a specific employment opportunity, provide notifications of that employment opportunity to the Economic and Workforce Development Department (EWDD), which will refer individuals for interview;
 - b. Interview qualified individuals referred by EWDD; and;
 - c. Prior to filling any employment opportunity, CONCESSIONAIRE shall inform the DAA of the names of the Referral Resources used, the names of the individuals they referred, the names of the referred individuals who the CONCESSIONAIRE interviewed and the reasons why referred individuals were not hired.
3. Any subcontract entered into by CONCESSIONAIRE relating to this AGREEMENT, to the extent allowed hereunder, shall be subject to the provisions of FSHO, and shall incorporate the FSHO.
4. CONCESSIONAIRE shall comply with all rules, regulations and policies promulgated by the designated administrative agency, which may be amended from time to time.

Where under the provisions of Section 10.44.13 of the LAAC the DAA has determined that CONCESSIONAIRE intentionally violated or used hiring practices for the purpose of avoiding the article, the determination must be documented in the Awarding Authority's Contractor Evaluation, required under LAAC Section 10.39 et seq., and must be documented in each of CONCESSIONAIRE's subsequent Contractor Responsibility Questionnaires submitted under LAAC Section 10.40 et seq. This measure does not limit the City's authority to act under this article.

Under the provisions of Section 10.44.8 of the LAAC, the Awarding Authority shall, under appropriate circumstances, terminate this AGREEMENT and otherwise pursue legal remedies that may be available if the DAA determines that the subject CONCESSIONAIRE has violated provisions of the FSHO.

SECTION 18. SURRENDER OF POSSESSION

CONCESSIONAIRE agrees to yield and deliver possession of the PREMISES to RAP on the date of the expiration or earlier termination of the AGREEMENT promptly, peaceably, quietly, and in as good order and condition as the same now are or may be hereafter improved by CONCESSIONAIRE or RAP, normal use and wear and tear thereof excepted.

No agreement of surrender or to accept a surrender shall be valid unless and until the same is in writing and signed by the duly authorized representatives of RAP and CONCESSIONAIRE. Neither the doing nor omission of any act or thing by any of the officers, agents or employees of RAP shall be deemed an acceptance of a surrender of the PREMISES utilized by CONCESSIONAIRE under the AGREEMENT.

Upon termination of this AGREEMENT other than by forfeiture, CONCESSIONAIRE shall quit and surrender possession of the PREMISES to RAP and shall, without cost to RAP, remove any and all works, structures, or other improvements owned by CONCESSIONAIRE and restore the PREMISES

to the same or as good condition, ordinary wear and tear excepted, as it was at the time of the first occupancy, thereof by CONCESSIONAIRE under this or any prior agreement or lease. CONCESSIONAIRE will have three days to effect removal and restoration. STANDARD PROVISIONS FOR CITY CONTRACTS

PSC-1. Construction of Provisions and Titles Herein

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one **CONTRACTOR**, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. Applicable Law, Interpretation and Enforcement

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to **CONTRACTOR**.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

PSC-3. Time of Effectiveness

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR**;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
- D. This Contract has been signed on behalf of **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

PSC-4. Integrated Contract

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

PSC-5. Amendment

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

PSC-6. Excusable Delays

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event **CONTRACTOR'S** delay or failure to perform arises out of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

PSC-7. Waiver

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-8. Suspension

At **CITY'S** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon receipt of the notice of suspension, **CONTRACTOR** shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

PSC-9. Termination

A. Termination for Convenience

CITY may terminate this Contract for **CITY'S** convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

B. Termination for Breach of Contract

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If the default under this Contract is due to **CONTRACTOR'S** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of

services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY'S** requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then **CITY** may immediately terminate this Contract.
4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates **CITY'S** laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.
5. Acts of Moral Turpitude
 - a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").
 - b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.
 - c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR'S** ability to perform under the terms of this Contract.
 - d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.

- e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
 6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
 7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
 8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

PSC-10. Independent Contractor

CONTRACTOR is an independent contractor and not an agent or employee of **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of **CITY**.

PSC-11. Contractor's Personnel

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. **CITY** has the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** shall remove personnel from performing work under this Contract if requested to do so by **CITY**.

CONTRACTOR shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. If **CITY** permits the use of Subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. **CITY** has the right to approve **CONTRACTOR'S** Subcontractors, and **CITY** reserves the right to request replacement of any

Subcontractor. **CITY** does not have any obligation to pay **CONTRACTOR'S** Subcontractors, and nothing herein creates any privity of contract between **CITY** and any Subcontractor.

PSC-12. Assignment and Delegation

CONTRACTOR may not, unless it has first obtained the written permission of **CITY**:

- A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or
- B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

PSC-13. Permits

CONTRACTOR and its directors, officers, partners, agents, employees, and Subcontractors, shall obtain and maintain all licenses, permits, certifications and other documents necessary for **CONTRACTOR'S** performance of this Contract. **CONTRACTOR** shall immediately notify **CITY** of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents that relate to **CONTRACTOR'S** performance of this Contract.

PSC-14. Claims for Labor and Materials

CONTRACTOR shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

PSC-15. Current Los Angeles City Business Tax Registration Certificate Required

For the duration of this Contract, **CONTRACTOR** shall maintain valid Business Tax Registration Certificate(s) as required by **CITY'S** Business Tax Ordinance, Section 21.00 *et seq.* of the Los Angeles Municipal Code ("LAMC"), and shall not allow the Certificate to lapse or be revoked or suspended.

PSC-16. Retention of Records, Audit and Reports

CONTRACTOR shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form or as otherwise approved by **CITY**. These records shall be retained for a period of no less than three years from the later of the following: (1) final payment made by **CITY**, (2) the expiration of this Contract or (3) termination of this Contract. The records will be subject to examination and audit by authorized **CITY** personnel or **CITY'S** representatives at any time. **CONTRACTOR** shall provide any reports requested by **CITY** regarding

performance of this Contract. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

In lieu of retaining the records for the term as prescribed in this provision, **CONTRACTOR** may, upon **CITY'S** written approval, submit the required information to **CITY** in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract.

PSC-17. Bonds

All bonds required by **CITY** shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code ("LAAC") Sections 11.47 *et seq.*, as amended from time to time.

PSC-18. Indemnification

Except for the active negligence or willful misconduct of **CITY**, or any of its boards, officers, agents, employees, assigns and successors in interest, **CONTRACTOR** shall defend, indemnify and hold harmless **CITY** and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including **CONTRACTOR'S** employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of an act, error, or omission by **CONTRACTOR**, Subcontractors, or their boards, officers, agents, employees, assigns, and successors in interest. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-19. Intellectual Property Indemnification

CONTRACTOR, at its own expense, shall defend, indemnify, and hold harmless the **CITY**, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its Subcontractors, in performing the work under this Contract; or (2) as a result of **CITY'S** actual or intended use of any Work Product (as defined in PSC-21) furnished by **CONTRACTOR**, or its Subcontractors, under this Contract. The rights and remedies of **CITY** provided in this section shall not be exclusive

and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-20. Intellectual Property Warranty

CONTRACTOR represents and warrants that its performance of all obligations under this Contract does not infringe in any way, directly or contributorily, upon any third party's intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity and proprietary information.

PSC-21. Ownership and License

Unless otherwise provided for herein, all finished and unfinished works, tangible or not, created under this Contract including, without limitation, documents, materials, data, reports, manuals, specifications, artwork, drawings, sketches, blueprints, studies, memoranda, computation sheets, computer programs and databases, schematics, photographs, video and audiovisual recordings, sound recordings, marks, logos, graphic designs, notes, websites, domain names, inventions, processes, formulas, matters and combinations thereof, and all forms of intellectual property originated and prepared by **CONTRACTOR** or its Subcontractors under this Contract (each a "Work Product"; collectively "Work Products") shall be and remain the exclusive property of **CITY** for its use in any manner **CITY** deems appropriate. **CONTRACTOR** hereby assigns to **CITY** all goodwill, copyright, trademark, patent, trade secret and all other intellectual property rights worldwide in any Work Products originated and prepared under this Contract. **CONTRACTOR** further agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

CONTRACTOR agrees that a monetary remedy for breach of this Contract may be inadequate, impracticable, or difficult to prove and that a breach may cause **CITY** irreparable harm. **CITY** may therefore enforce this requirement by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

For all Work Products delivered to **CITY** that are not originated or prepared by **CONTRACTOR** or its Subcontractors under this Contract, **CONTRACTOR** shall secure a grant, at no cost to **CITY**, for a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

CONTRACTOR shall not provide or disclose any Work Product to any third party without prior written consent of **CITY**.

Any subcontract entered into by **CONTRACTOR** relating to this Contract shall include this provision to contractually bind its Subcontractors performing work under this Contract such that **CITY'S** ownership and license rights of all Work Products are preserved and protected as intended herein.

PSC-22. Data Protection

- A. **CONTRACTOR** shall protect, using the most secure means and technology that is commercially available, **CITY**-provided data or consumer-provided data acquired in the course and scope of this Contract, including but not limited to customer lists and customer credit card or consumer data, (collectively, the “City Data”). **CONTRACTOR** shall notify **CITY** in writing as soon as reasonably feasible, and in any event within twenty-four hours, of **CONTRACTOR’S** discovery or reasonable belief of any unauthorized access of City Data (a “Data Breach”), or of any incident affecting, or potentially affecting City Data related to cyber security (a “Security Incident”), including, but not limited to, denial of service attack, and system outage, instability or degradation due to computer malware or virus. **CONTRACTOR** shall begin remediation immediately. **CONTRACTOR** shall provide daily updates, or more frequently if required by **CITY**, regarding findings and actions performed by **CONTRACTOR** until the Data Breach or Security Incident has been effectively resolved to **CITY’S** satisfaction. **CONTRACTOR** shall conduct an investigation of the Data Breach or Security Incident and shall share the report of the investigation with **CITY**. At **CITY’S** sole discretion, **CITY** and its authorized agents shall have the right to lead or participate in the investigation. **CONTRACTOR** shall cooperate fully with **CITY**, its agents and law enforcement.
- B. If **CITY** is subject to liability for any Data Breach or Security Incident, then **CONTRACTOR** shall fully indemnify and hold harmless **CITY** and defend against any resulting actions.

PSC-23. Insurance

During the term of this Contract and without limiting **CONTRACTOR’S** obligation to indemnify, hold harmless and defend **CITY**, **CONTRACTOR** shall provide and maintain at its own expense a program of insurance having the coverages and limits not less than the required amounts and types as determined by the Office of the City Administrative Officer of Los Angeles, Risk Management (template Form General 146 in Exhibit 1 hereto). The insurance must: (1) conform to **CITY’S** requirements; (2) comply with the Insurance Contractual Requirements (Form General 133 in Exhibit 1 hereto); and (3) otherwise be in a form acceptable to the Office of the City Administrative Officer, Risk Management. **CONTRACTOR** shall comply with all Insurance Contractual Requirements shown on Exhibit 1 hereto. Exhibit 1 is hereby incorporated by reference and made a part of this Contract.

PSC-24. Best Terms

Throughout the term of this Contract, **CONTRACTOR**, shall offer **CITY** the best terms, prices, and discounts that are offered to any of **CONTRACTOR’S** customers for similar goods and services provided under this Contract.

PSC-25. Warranty and Responsibility of Contractor

CONTRACTOR warrants that the work performed hereunder shall be completed in a manner consistent with professional standards practiced among those firms within **CONTRACTOR'S** profession, doing the same or similar work under the same or similar circumstances.

PSC-26. Mandatory Provisions Pertaining to Non-Discrimination in Employment

Unless otherwise exempt, this Contract is subject to the applicable non-discrimination, equal benefits, equal employment practices, and affirmative action program provisions in LAAC Section 10.8 et seq., as amended from time to time.

If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.
- 5. Failure to Procure Insurance.** All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. WHY PROCUREMENT?

Every year, institutions across the United States - from school districts to city governments - spend billions of dollars on food purchases.

By exercising their buying power and building Good Food purchasing practices into their work, food service institutions can influence supply chains and lead the movement for a values-based food system - a food system that is healthy, ecologically sound, economically viable, socially responsible, and humane.

While many institutions recognize that their food purchases can have a major impact on improving the food system and have the will to buy better food, often they have no idea where their food is coming from or how it was produced. And this is information that matters.

Creating a values-based food system begins with increasing transparency along the entire supply chain to better understand relationships between vendors, distributors and their suppliers.

The Good Food Purchasing Program provides institutions with the framework and tools to help facilitate values-based purchasing and build a more equitable and sustainable food system.

Public institutions, in particular, play a critical role in increasing access to Good Food.

Public institutions often provide food to communities with the least access to Good Food. Through their reach to some of the most vulnerable populations, public programs help ensure that all residents have access to healthy, high quality food. These agencies purchase food to provide meals to people in public hospitals, child-care centers, schools, senior programs, jails, and juvenile facilities. They provide a buffer against hunger and also serve as a primary source of nutrition for many residents, including children and seniors. By engaging in Good Food purchasing practices, public institutions that serve large numbers of low-income people can guarantee that Good Food is a right and not a privilege.

Public institutions spend taxpayer dollars to purchase food and as policymakers, they have the responsibility to ensure that public food contracts reflect a community's values. They have an opportunity to use the public contracting process to create greater accountability along their supply chains, by asking for companies with whom they work for strong commitments to transparency and the institution's values.

Public institutions are community leaders - when they take a stand for their values, others follow.

GOOD FOOD PURCHASING PROGRAM® OVERVIEW

The Center for Good Food Purchasing's Good Food Purchasing Program provides a metric-based, flexible framework that encourages large institutions to direct their buying power toward five core values:

- 1 local economies,
- 2 environmental sustainability,
- 3 valued workforce,
- 4 animal welfare, and
- 5 nutrition

Through the Program, the Center works with institutions to establish supply chain transparency from farm to fork, evaluate how current purchasing practices align with the Good Food Purchasing Standards, set goals, measure progress, and celebrate successes in using institutional purchasing power to improve the food system.

PARTICIPATION COMMITMENTS

Good Food Purchasing Program participants commit to the following core components:

- 1 Meet at least the baseline standard in each of the five value categories, as outlined in the Good Food Purchasing Standards;
- 2 Incorporate the Good Food Purchasing Standards and reporting requirements into new RFPs and contracts;
- 3 Establish supply chain transparency to the farm of origin that enables the commitment to be verified and tracked over time;
- 4 Commit to annual verification of food purchases by the Center to monitor compliance, measure progress, and celebrate success.

The Center issues a Good Food Provider verification seal to participating institutions that meet baseline requirements across the five value categories.

GOOD FOOD VALUES

Improving equity, affordability, accessibility, and consumption of high quality, culturally relevant Good Food in all communities is central to advancing Good Food purchasing practices.

LOCAL ECONOMIES

Support diverse, family and cooperatively owned, small and mid-sized agricultural and food processing operations within the local area or region.

ENVIRONMENTAL SUSTAINABILITY

Source from producers that employ sustainable production systems to reduce or eliminate synthetic pesticides and fertilizers; avoid the use of hormones, routine antibiotics and genetic engineering; conserve and regenerate soil and water; protect and enhance wildlife habitats and biodiversity; and reduce on-farm energy and water consumption, food waste and greenhouse gas emissions. Reduce menu items that have high carbon and water footprints, using strategies such as plant-forward menus that feature smaller portions of animal proteins in a supporting role.

VALUED WORKFORCE

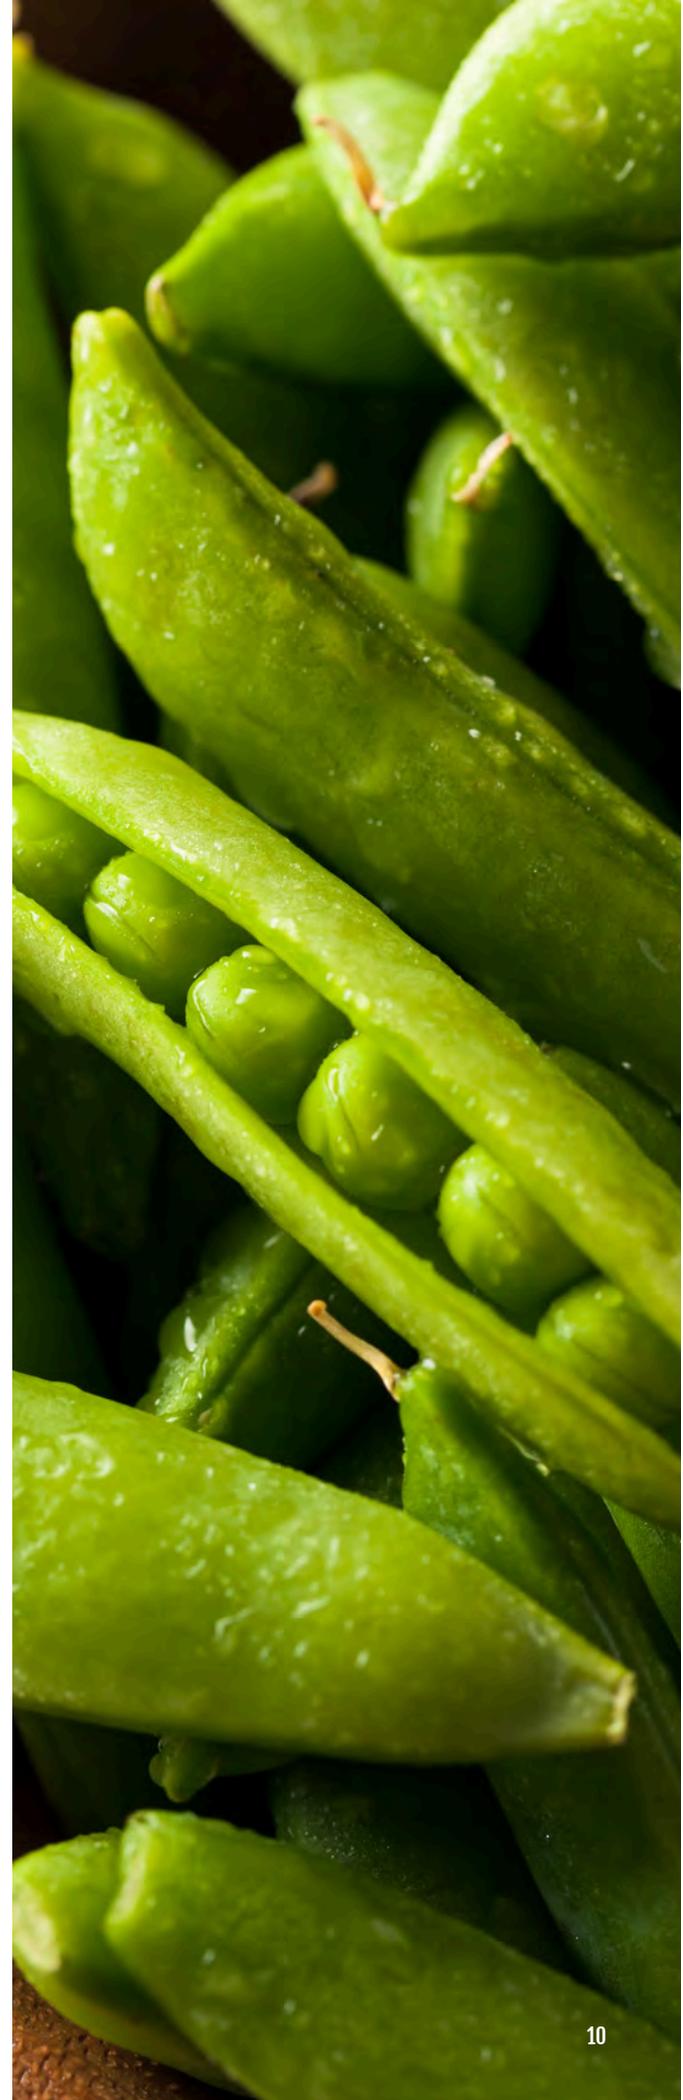

Source from producers and vendors that provide safe and healthy working conditions and fair compensation for all food chain workers and producers from production to consumption.

ANIMAL WELFARE

Source from producers that provide healthy and humane conditions for farm animals.

NUTRITION

Promote health and well-being by offering generous portions of vegetables, fruit, whole grains, and minimally processed foods, while reducing salt, added sugars, saturated fats, and red meat consumption and eliminating artificial additives.

GOOD FOOD PURCHASING PROGRAM® PARTICIPATION: PHASES & KEY STEPS

The Center for Good Food Purchasing provides planning, implementation and evaluation support for institutions involved with the Good Food Purchasing Program. The Center works with institutions at every step of a two-phase, multi-step process, which includes:

- 1** measuring an institution's baseline;
- 2** identifying goals and developing an action plan;
- 3** improving impact and tracking progress;
- 4** institutionalizing Good Food Purchasing goals; and
- 5** celebrating success.

The following overview outlines the primary activities over two phases of an institution's Good Food Purchasing Program participation.

**“ WE DIDN'T HAVE TO INVENT
THE PROCESS FROM SCRATCH.
WE COULD HAVE ASSISTANCE
FROM A TRIED-AND-TRUE**

process, and at the same time, develop
our own goals and processes that would
reflect our values in our community.”

Food Policy Manager, City of Austin Office of Sustainability

PHASE 1

Phase One begins with examining current food purchasing practices through a baseline assessment to understand existing alignment with the Good Food Purchasing Program Standards in the five value categories. The baseline assessment is conducted by the Center for Good Food Purchasing.

STEP 1: BASELINE ASSESSMENT

Conduct Good Food Purchasing Program Overview Briefing:

- Introductory meeting with institution and the Center.

Notify Vendors & Begin Data Collection:

- Institution informs vendors of commitment to the Good Food Purchasing Program, discusses data collection needs, and determines a feasible timeline for data collection.

Collect & Submit Data:

- Vendors submit data to institution. Institution shares data with the Center for review.

Conduct Baseline Assessment:

- The Center analyzes purchasing data and provides a detailed evaluation of institution's current alignment with each value category.

STEP 2: GOAL SETTING

Discuss Baseline Assessment:

- Institution and the Center discuss the results of the baseline assessment and identify short and long-term purchasing goals.

Develop Action Plan:

- Institution, with technical support from the Center and any additional local partners, develops a multi-year Good Food Purchasing action plan roadmap.

PHASE 2

Phase Two involves commitment to improving Good Food Purchasing practices over time, which is documented through annual verification and celebration of achievements. The Center issues a Good Food Provider verification seal to an institution once it meets at least a baseline standard in each of the five value categories.

STEP 3: IMPROVE IMPACT & MEASURE PROGRESS

Make Purchasing Shifts to Meet Action Plan Milestones

- Institution uses action plan to make purchasing shifts, which help meet or exceed the baseline in the five value categories, in partnership with vendors and local partners.

Collect Updated Purchasing Data from Vendors:

- Institution collects purchasing data from vendors annually.

Track Progress & Award Star Rating:

- The Center analyzes data and provides a detailed report with a star rating to institution on its overall performance, progress within each value category, and trends.

ANNUAL REPORTING REQUIREMENTS

- 1) Submit Food Service Operations Overview form (i.e. total annual dollar amount of food and beverage purchases by product category and average number of daily meals served).
- 2) Submit Baseline Nutrition Self-Assessment.
- 3) Review an inventory of suppliers with serious, repeat and/or willful health and safety and/or wage and hour labor violations over the last three years, generated by the Center. Institution works with the Center to prioritize suppliers with the most serious violations to engage for additional information on what steps have been taken to remedy the past violations and to prevent future violations.
- 4) Submit itemized records of each fruit, vegetable, meat/poultry, dairy and grain products purchased by the Participant during desired time period to include:
 - i. Product name;
 - ii. Unit type purchased (e.g. cases, bunches, packs);
 - iii. Number of units purchased;
 - iv. Volume per unit (e.g. ounces, lbs);
 - v. The name and location of each supplier along the supply chain, to include all distributors, wholesalers, processors, manufacturers, shippers, AND farm(s) of origin; and
 - vi. Amount spent by institution for each product, to include:
 - i. Price per unit;
 - ii. For each individual farm or ranch from which product is sourced, total dollar value spent on each individual product from that farm or ranch.

STEP 4: INSTITUTIONALIZE GOOD FOOD PURCHASING GOALS

Adopt Formal Policy and Incorporate Good Food Purchasing Program Language into RFPs and Contracts

- Institution adopts formal policy and incorporates Good Food Purchasing Program language into new bids and contracts. (See Appendix A for template policy language).

STEP 5: CELEBRATE SUCCESS

Issue Verification Seal and Branded Materials (When Applicable)

- The Center issues a Good Food Provider verification seal to the institution once it meets at least a baseline standard in each of the five value categories.

Publicly Recognize Leadership

- Institution, local partners, and the Center share annual public progress report and publicly celebrate progress.

GOOD FOOD PURCHASING STANDARDS AND SCORING SYSTEM OVERVIEW

The Good Food Purchasing Standards are a central component of the Good Food Purchasing Program. The Standards provide institutions with a roadmap for working towards a more sustainable and equitable food system. An institution is expected to meet a baseline in each value category by sourcing a certain percentage of food from producers that reflect each of the five values. The Standards set a basic minimum in each value category, but encourage institutions to earn higher levels of achievement through a flexible, points-based scoring system. Key aspects of the scoring system include:

BASELINE STANDARD

Each of the five value categories has a baseline standard. To become a Good Food Provider, an institution must meet at least the baseline in each of the five values.

CERTIFICATION-BASED

Standards are primarily based off of third-party certifications that have been identified as meaningful and ranked by national experts in each category.

FLEXIBLE, TIERED POINT SYSTEM

Performance is measured using a points-based formula in which points are accumulated based on level of achievement. There are three levels in each category, with higher levels worth more points. Points are awarded for each category individually, allowing institutions to accommodate their priorities and constraints by participating at the baseline in some categories and earning additional points by going above and beyond in other categories.

AGGREGATION OF POINTS AND STAR RATING

Points earned in each category are added together to determine the overall number of points. A star rating is awarded based on the total number of points earned. The minimum score needed to earn One Star and the Good Food Provider seal is five (one point in each category). As points accumulate, higher star ratings are awarded according to the chart below. A participant that earns five or more points only receives the Good Food Provider seal if they meet the baseline standard in each category.

INCREASED COMMITMENT OVER TIME

To maintain the star rating, an institution increases the amount of Good Food purchased each year.

SAMPLE SCORESHEET

Example: Institution A serves nutritious meals to low-income children. They use their purchasing power to support local businesses and well-paying jobs, so they have prioritized Local Economies, Valued Workforce, and Nutrition. They are satisfied meeting the baseline standard in Environmental Sustainability and Animal Welfare.

LOCAL ECONOMIES

6 points

We create opportunities for businesses in our community to thrive. We purchase over 50% of our food from producers within 250 miles, including very small farmers and businesses owned by women and entrepreneurs of color.

ENVIRONMENTAL SUSTAINABILITY

1 point

We purchase over 15% of food from producers with high environmental stewardship standards, including organic practices and chicken produced without routine antibiotics. We have also adopted a less meat, better meat strategy to decrease our carbon and water footprint.

VALUED WORKFORCE

6 points

We purchase over 10% of our food from suppliers who pay their workers living wages and respect health and safety regulations. Many of the workers in our supply chain are represented by a union contract. This is a high bar by industry standards and something we work actively with our suppliers to improve even further.

ANIMAL WELFARE

1 point

Our menus feature plant-forward dishes, which has led to a 15% reduction in the total volume of animal products purchased. At the same time, we purchase higher welfare meat products.

NUTRITION

3 points

We purchase whole, seasonal fruits and vegetables, prioritize plant based menu items and minimize added sugars and sodium. We feature our most nutritious menu items in high-visibility areas to make healthy choices easy.

STAR RATING: ★★★★★

“THE GOOD FOOD PURCHASING PROGRAM PROVIDES US WITH A TOOL TO EVALUATE AND TALK IN CONCRETE TERMS ABOUT THE WORK WE'RE DOING TO IMPROVE OUR FOOD PROCUREMENT.

It demonstrates in dollar terms the magnitude of the improvements we have made. It also provides a framework for setting goals around issues we haven't been able to work on yet, like increasing our purchases from suppliers with fair and humane labor practices.”

- Establish a formal hiring policy, which prioritizes hiring local residents with barriers to employment.
- Establish a contract, MOU or other formal partnership to purchase food from a worker-owned cooperative that has a stated mission to serve or is majority-owned by disadvantaged populations.
- Support workforce development in the food industry for disadvantaged or vulnerable populations through scholarships for employees who participate in career pathway training programs or hire new employees directly from a workforce training program.

¹⁵ Animal product refers to any products derived from an animal, including meat, poultry, eggs and dairy.

¹⁶ In qualifying products, medically important antimicrobial drugs (i.e. those in the same class of antibiotics used in human medicine) may be used for non-routine disease control and treatment purposes only. Antimicrobial use must be third party verified (e.g., Certified Responsible Antibiotic Use (CRAU) chicken, Antimicrobial Stewardship Standards for Pork and Chicken [once 3rd party verified]). Disease control is defined here as the use of antibiotics on an animal that is not sick but where it can be shown that a particular disease or infection is present on the premises at the barn, house, pen, or other level at which the animal is kept. The Center for Good Food Purchasing may consider approval of additional narrowly defined, noncustomary uses upon request.

¹⁷ Addressing antibiotic usage through third party verified certification processes, such as Certified Responsible Antibiotic Use (CRAU) is a separate requirement included in the Environmental Sustainability category. Certification labels that only address responsible antibiotic use are not included as qualifying certifications for environmentally sustainable sources because these labels do not necessarily lead to improved environmental outcomes.

Submit Labor Law Compliance Documentation and Take Requested Follow Up Steps with Suppliers

Vendor signs in writing that vendor and all suppliers respect the freedom of association of farmers, ranchers, and fisherfolk and that vendor and all suppliers³² comply with domestic labor law (including state and local) in countries where they produce goods and services, as well as the core standards of the International Labour Organization (ILO):

- (1) Freedom of association and the right to collective bargaining.
- (2) Elimination of all forms of forced or compulsory labor.
- (3) Abolition of child labor.
- (4) Elimination of discrimination with respect to employment or occupation.

AND

If vendor and/or suppliers are found to have health & safety and/or wage & hour violations within the past three years, purchaser requests information from that supplier about steps taken to mitigate past violations and prevent future violations, such as worker education and training. The institution may reserve the right to cancel the contract with a vendor with serious, willful, repeated, and/or pervasive labor violations and/or require its vendor to cancel its contract with the supplier with serious, willful, repeated, and/or pervasive violations over the next year after the letter is sent.

A single product may have more than one supplier, including grower, shipper, processor, and/or wholesaler.

THIRD-PARTY CERTIFICATIONS

Food items from suppliers that meet any of the following criteria will be disqualified from being counted for points in all value categories:

- Use of slave or forced labor;
- Pattern of serious, willful, repeated, and/or pervasive labor violations over the last three years;
- Use of child labor³⁸

³³ Greater credit is given for full supply chain participation at Level 3. An institution receives 3 points for every 5% increment of product sourced from Level 3 farms, and 3 points for every 15% increment of product sourced from Level 3 processors or distributors (percentages determined related to availability of Level 3 product in sectors of the supply chain). Points are weighted as follows:

- 100% credit if source farm, AND processor or shipper, AND distributor meet Level 3 criteria.
- 66% credit if two of three companies meet Level 3 criteria.
- 33% credit if one of three companies meets Level 3 criteria.

³⁴ Criteria used to identify voluntary third party certification programs at Level 3 include: adherence to all ILO Fundamental Principles and Rights at Work; a fair wage that at a minimum reaches the prevailing industry wage and charts progress toward a living wage; safe and healthy workplaces for workers; inclusion of independent worker organizations at all stages of standard-setting, monitoring and enforcement, and remediation; a confidential complaint reporting and resolution mechanism with a strictly enforced no-retaliation policy; mandatory worker rights training on the clock, implemented with independent worker organization; regular announced and unannounced audits by well-trained auditors that include secure interviews with a broad swath of workers, and findings that are made available to workers; and a focus on enforcement, with binding legal agreements that ensure real consequence for non-compliance and clear, time-bound plans to remedy violations. If the Center determines that a supplier is not compliant with the standards established by the third-party certification program, the supplier will not receive credit for their participation in the certification program.

³⁶ Unions cannot be controlled or backed by government or the employer

³⁷ As defined by United States Federation of Worker Cooperatives: Worker cooperatives are business entities that are owned and controlled by their members, the people who work in them. All cooperatives operate in accordance with the [Cooperative Principles and Values](#). The two central characteristics of worker cooperatives are: (1) worker-members invest in and own the business together, and it distributes surplus to them and (2) decision-making is democratic, adhering to the general principle of one member-one vote.

³⁸ Federal and/or state law defines child labor for the supplier's industry and location. When federal and state rules are different, the rules that provide the most protection apply. For international products, child labor is defined by the [ILO standard](#).

³⁹ USDA Certified Organic will qualify for Level 2 if proposed animal welfare requirements are adopted.

⁴⁰ AHA cage-free standards were excluded because AHA's points-based system allows egg facilities to pass an audit (at 85%) without meeting a number of basic welfare standards.

⁴¹ USDA Certified Organic will qualify for Level 2 if proposed animal welfare requirements are adopted.

⁴² Because American Humane Certified does not have a set of "Core Criteria" that all certified producers must meet, full audit results must be submitted to the Center to verify that the farm meets all Core Criteria for a product to meet Level 2.

⁴³ GAP Step 1 may be added to Level 1 upon the adoption of requirements for enrichments and for slower-growing chicken strains at Step 1.

⁴⁴ USDA Certified Organic will qualify for Level 2 if proposed animal welfare requirements are adopted.

⁴⁵ Certified Humane Free Range, despite being pasture-based, is in Level 2 because unlike those in Level 3, it does not require slower-growth genetics.

⁴⁶ USDA Certified Organic will qualify for Level 2 if proposed animal welfare requirements are adopted.

⁴⁷ USDA Certified Organic will qualify for Level 2 if proposed animal welfare requirements are adopted.

CHECKS

Items with High Priority designation are worth two checks per item met

HEALTHY PROCUREMENT

- Increase the amount of whole or minimally processed foods purchased by 5% from baseline year, with a 25% increase goal within 5 years.⁴⁹
- If meat is offered, reduce purchase of red and processed meat by 5% from baseline year, with a 25% reduction goal within 5 years.^{50, 51}
- Fruits, vegetables, and whole grains account for at least 50% of total food purchases by volume.⁵²
- All individual food items contain \leq 480 mg sodium per serving.⁵³ Purchase “low sodium” (\leq 140 mg sodium per serving) whenever possible.
- Added sugars (including natural and artificial sweeteners) in purchased food items should be no more than 10% of Daily Value per serving (DV is 50g). Or, commit to implementing an added sugar reduction plan in overall food and beverage purchases.

HEALTHY FOOD SERVICE ENVIRONMENT

- Healthy beverages account for 100% of beverage options offered, and diet drinks containing artificial sweeteners are eliminated. If healthy beverages account for at least 50% of beverage options offered, one check will be earned.⁵⁴
- Offer free drinking water at all meals, preferably cold tap water in at least a 4 oz. cup.
- Offer plant-based main dishes at each meal service.⁵⁵

HEALTH EQUITY

- Institution actively supports or sponsors initiatives that directly expand access to healthy food for low-income residents or communities of color.⁵⁶ Examples of qualifying initiatives:
 - Support at least one neighborhood-based community food project that expands access to healthy food for low-income residents such as a procurement agreement with a corner store that carries healthy food in a low-income census tract, or a low-cost Community Supported Agriculture program dedicated to serving low-income families, or a farmer’s market located in a low-income census tract that accepts EBT.

⁴⁹ See Appendix C for definitions for whole/minimally processed, processed, and ultraprocessed (Source: San Diego County Department of Public Health Eat Well Standards).

⁵⁰ Processed meats include any meat preserved by curing, salting, smoking, or have other chemical preservation additives. If processed meats are offered, recommend using only products with no more than 480mg of sodium per 2 oz.

⁵¹ One strategy to reduce red and processed meat purchases is to limit portion sizes based on current US Dietary Guidelines. Average per-meal amount for meat, poultry and eggs for a 2000 calorie diet is 1.9 oz. (The range for a 1000-2200 calorie diet is .7-2 oz. per meal). See the [USDA Food Patterns: Healthy U.S.-Style Eating Pattern](#) for more information.

⁵² Grain-based foods are considered whole grain when the first ingredient listed on the ingredient list is a whole grain. Whole grain ingredients include brown rice, buckwheat, bulgur, millet, oatmeal, quinoa, rolled oats, whole-grain barley, whole-grain corn, whole-grain sorghum, whole-grain triticale, whole oats, whole rye, whole wheat, and wild rice. With the exception of the following foods:

⁵³ **Sodium Standards for Purchased Food:**

- Canned and frozen seafood: \leq 290 mg sodium per serving;
- Canned and frozen poultry: \leq 290 mg sodium per serving;
- Sliced sandwich bread: \leq 180 mg sodium per serving;

- Cereal: \leq 215 mg sodium per serving;
- Canned or frozen vegetables: \leq 290 mg sodium per serving;
- Recommend “reduced” sodium (per FDA definition) sauce and other condiments;
- Recommend purchasing cheese: \leq 215 mg sodium per serving.

⁵⁴ Health Care Without Harm “Healthy Beverage Defined: Water (filtered tap, unsweetened, seltzer or infused); 100 percent fruit juice (optimal 4 oz. serving); 100% vegetable juice (optimal sodium less than 140 mg); Milk (unflavored); Non-dairy milk alternatives (plain, unsweetened); Teas and Coffee (unsweetened with only naturally occurring caffeine).

⁵⁵ To the best possible ability, beverages should be dispensed by tap or fountain AND reusable beverage containers should be encouraged. Recommend plant-based main dishes to include fruits, vegetables, beans and/or legumes.

Whereas, Good food is defined as food that is healthy, affordable, fair, and sustainable. These foods meet the Dietary Guidelines for Americans, provide freedom from chronic ailment, and are delicious and safe. All participants in the food supply chain receive fair compensation, fair treatment, and are free of exploitation. Good food is available to purchase for all income levels. High quality food is equitable and physically and culturally accessible to all. Food is produced, processed, distributed, and recycled locally using the principles of environmental stewardship (in terms of water, soil, and pesticide management); and

Whereas, Implementation of the comprehensive Good Food Purchasing Program will promote the ongoing leadership of [Institution] in being a good food leader in our community and nationwide; now, therefore, be it,

RESOLVED, That [Institution] will use its purchasing power to encourage the production and consumption of food that is healthy, affordable, fair, and sustainable. We recognize that the adoption of the Good Food Purchasing Program has the power to reform the food system, create opportunities for smaller farmers and low-income entrepreneurs of color to thrive, provide just compensation and fair treatment for workers, support sustainable farming practices, reward good environmental stewardship, and increase access to fresh and healthy foods. We will leverage our purchasing power to support the following values:

Local Economies: support diverse, family and cooperatively owned, small and mid-sized agricultural and food processing operations within the local area or region.

Environmental Sustainability: source from producers that employ sustainable production systems to reduce or eliminate synthetic pesticides and fertilizers; avoid the use of hormones, routine antibiotics and genetic engineering; conserve and regenerate soil and water; protect and enhance wildlife habitats and biodiversity; and reduce on-farm energy and water consumption, food waste and greenhouse gas emissions. Reduce menu items that have high carbon and water footprints, using strategies such as plant-forward menus that feature smaller portions of animal proteins in a supporting role.

Valued Workforce: Source from producers and vendors that provide safe and healthy working conditions and fair compensation for all food chain workers and producers from production to consumption.

Animal Welfare: Source from producers that provide healthy and humane conditions for farm animals.

Nutrition: Promote health and well-being by offering generous portions of vegetables, fruit, whole grains, and minimally processed foods, while reducing salt, added sugars, saturated fats, and red meat consumption and eliminating artificial additives.

- (3)** Incorporate the Good Food Purchasing Standards and reporting requirements into all new RFPs and contracts with the opportunity for community input on contract awards.
- (4)** Commit to annual verification of food purchases by the Center for Good Food Purchasing and comply with due diligence reporting requirements to verify compliance, measure progress, and celebrate success at the [enter desired star rating] level.

RESOLVED, that [Institution] commits to the following reporting requirements:

- (2)** Submit Baseline Nutrition Assessment.
- (3)** Submit itemized records of each fruit, vegetable, meat/poultry, dairy and grain products purchased by the Participant during desired time period to include:
 1. Product name;

- (4)** Review an inventory of suppliers with serious, repeat and/or willful health and safety and/or wage and hour labor violations over the last three years, generated by the Center. Institution works with the Center to prioritize suppliers with the most serious violations to engage for additional information on what steps have been taken to remedy the past violations and to prevent future violations.
- (5)** Develop and adopt a multi-year action plan with benchmarks to comply with the Good Food Purchasing Standards within the first year of adopting the Good Food Purchasing Program.
- (6)** Report to the [insert policy body] annually on implementation progress of the Good Food Purchasing Program with the opportunity for community input.

APPENDIX B: EPA FOOD RECOVERY HIERARCHY: IDENTIFYING AND PRIORITIZING STRATEGIES TO REDUCE WASTED FOOD

The EPA has developed the Food Recovery Hierarchy to help prioritize actions that organizations can take to prevent wasted food. Reduction/diversion points include:

1. Source Reduction – reduce the amount of surplus food generated
2. Recovery: Feed Hungry People – donate extra food to food banks, soup kitchens, shelters
3. Recycling:
 - Feed Animals – divert food scraps to animal feed
 - Industrial Uses – anaerobic digestion (send food to anaerobic digester) OR recycle oils/grease (for rendering or biodiesel)
 - Composting

According to the EPA, “each tier of the Food Recovery Hierarchy focuses on different management strategies for wasted food. The top levels of the hierarchy are the best ways to prevent and divert wasted food because they create the most benefits for the environment, society and the economy.”

Good Food Providers that incorporate waste reduction strategies into their food service operations are encouraged to follow the EPA’s Food Recovery Hierarchy and prioritize strategies at the top levels of the hierarchy.

An important first step for an institution is to perform a waste audit and then develop waste reduction strategies that address the most wasted food items identified in audit.

APPENDIX B: SUGGESTED FOOD RECOVERY STRATEGIES

The list below provides a menu of options that institutions can take to prevent and divert wasted food. This list is by no means exhaustive. Some strategies may not apply to or be feasible for all institution types. More ideas can be found on the EPA's Food Recovery Hierarchy website.

SOURCE REDUCTION⁶⁴

- Purchase imperfect produce
- Staff training on food waste reduction
- Daily log of kitchen food waste⁶⁵
- Reduce batch sizes
- Cook-to-order instead of bulk-cooking at end of day
- Set up share tables
- "Offer vs serve"
- Replace buffet with cook-to-order line
- Finish preparation at the line
- Recess before lunch
- Provide another beverage choice (e.g. water)
- Extend lunch periods to 30 minutes
- Slice fruit/vegetables
- Catchy names for fruits/vegetables
- Marinate meats
- Healthy foods within reach
- Train staff on knife skills
- Use maximum amount of food parts (carrot greens and potato skins)
- Reconstitute wilted veggies
- Freeze surplus fruits & veggies
- Use leftovers
- Eliminate garnishes that typically don't get eaten
- Storage techniques for different foods
- See-through storage containers
- Smaller serving containers at end of day
- Trayless dining

RECOVERY⁶⁶ FEED HUNGRY PEOPLE

- Deliver unused food to local pantry
- Supplement Power Pack program with unused food that is collected
- Pop Up Food Pantry
- Partner with sister school & donate surplus food to families in need

RECYCLING FEED ANIMALS, INDUSTRIAL USES, COMPOSTING

- Provide organic waste to animal farmers as feed
- Send food scraps to anaerobic digester
- Recycle waste vegetable oil to be used as biofuel

APPENDIX C: LEVELS OF PROCESSING – DEFINITIONS

PROCESSING CATEGORY

DEFINITION

EXAMPLES

UNPROCESSED AND MINIMALLY PROCESSED FOODS AND BEVERAGES

Unprocessed and minimally processed foods and beverages include single-ingredient foods or beverages, which have undergone no or slight alterations after separation from nature, such as cleaning, removal of unwanted or inedible parts, fractioning, grinding, roasting, boiling, freezing, drying, fermentation, or pasteurization. These do not include any added oils, fats, sugar, salt or other substances, but may include vitamins and minerals typically to replace those lost during processing. Simple combinations of two or more unprocessed or minimally processed foods, such as granola made from cereals, mixtures of frozen vegetables, and unsalted, unsweetened, dried fruit and nut mixtures, remain in this group. As a general rule, additives are rarely present in food items in this group.^{68, 69, 70, 71, 72}

Examples include, but are not limited to fresh, chilled, frozen, vacuum-packed fruits, vegetables, including those with antioxidants, roots, and tubers; cereal grains and flours made with these grains; cereal products, such as plain oatmeal; fresh or dry pasta or noodles (made from flour with the addition only of water); fresh, frozen and dried beans and other pulses (legumes); dried fruits and 100% unsweetened fruit juices; fresh or dried mushrooms; unsalted nuts and seeds; fresh, dried, chilled, frozen meats, poultry and fish; fresh and pasteurized milk, ultra-pasteurized milk with added stabilizers, fermented milk such as plain yogurt; spices such as pepper, cloves, and cinnamon; herbs such as fresh or dry thyme, mint, and cilantro; eggs; teas, coffee, herb infusions, tap water, bottled spring water.⁷³

MODERATELY PROCESSED FOODS AND BEVERAGES

Moderately processed foods and beverages are simple products manufactured by industry typically with few ingredients including unprocessed or minimally processed foods and salt, sugar, oils, fats and other substances commonly used as culinary ingredients.^{74, 75, 76, 77} Additives are sometimes added to foods in this group.⁷⁸

Examples include, but are not limited to breads; cheese; sweetened fruits and fruits in syrup with added anti-oxidants; dried salted meats with added preservatives; canned foods preserved in salt or oil; cereal products with tocopherols (Vitamin E), such as instant oatmeal with sugar and cinnamon or whole wheat kernels combined with flaxseed, salt, and barley malt; tofu, tempeh, and certain kinds of bean and vegetable burgers; and multi-ingredient foods and beverages manufactured and packaged by industry that contain no ingredients only used in ultra-processed products.

APPENDIX C: LEVELS OF PROCESSING – DEFINITIONS

PROCESSING CATEGORY	DEFINITION	EXAMPLES
ULTRA-PROCESSED FOOD AND BEVERAGE PRODUCTS	Ultra-processed food and beverage products are industrial formulations typically with many ingredients including salt, sugar, oils and fats, but also substances not commonly used in domestic cooking and additives whose purpose is to imitate sensorial qualities of unprocessed or minimally processed foods and culinary preparations of these foods. Minimally processed foods are a small proportion of or are even absent from ultra-processed products. ^{79, 80, 81, 82}	Examples include, but are not limited to industrially manufactured sports drinks; regular and diet sodas; flavored milks; energy drinks; meal replacement or dietary supplement drinks or foods; cereal products with tocopherols (Vitamin E) and an assortment of additives, such as FD&C Blue No. 1 and 2, caramel color; gelatin; high fructose corn syrup; dextrose or hydrogenated vegetable oil; sweet and/or savory snacks; ice cream; cakes and cake mixes; pastries; candies; chocolate bars; energy bars; granola bars; snack chips and mixes; packaged desserts; grain-based desserts and breads; margarine; condiments; instant sauces and soups; hot dogs; sausages; luncheon meats; chicken patties and nuggets; breaded fish and sticks; frozen and packaged meals; prepacked pizza; fast food; and other foods with ingredients not usually sold to consumers for use in freshly prepared foods.
CULINARY INGREDIENTS	Culinary ingredients are substances obtained from unprocessed or minimally processed foods, or nature, and commonly used to season and cook unprocessed or minimally processed foods in the creation of freshly prepared dishes. Items in this group are rarely consumed alone. Combinations of two or more culinary ingredients, such as oil and vinegar, remain in this group. As a general rule, additives are rarely present in these foods and beverages. ^{83, 84, 85, 86}	Examples include, but are not limited to butter, lard, and vegetable oils; milk, cream; sugar and molasses obtained from cane or beet; honey extracted from combs and syrup from maple trees; salt and iodized salt; starches; vegetable oils with added antioxidants; and vinegar with added preservatives.
FRESHLY PREPARED FOODS AND BEVERAGES	Freshly prepared foods and beverages are handmade preparations composed of unprocessed or minimally processed foods and culinary ingredients. ⁸⁷	Examples include, but are not limited to any scratch prepared foods and beverages made with unprocessed or minimally processed foods and culinary ingredients made at home, a cafeteria, or food service operation such as hummus; salsa; salads; mixed vegetables; stir fry; mashed potatoes; soups; casseroles; cooked meats, poultry, or fish; pies, cakes, and cookies; and coffee, tea and lemonade.

⁸² Ultra-processed products may include an assortment of additives or ingredients not typically found in unprocessed/minimally processed and moderately processed foods or culinary ingredients. Examples of substances only found in ultra-processed products include some directly extracted from foods, such as casein, lactose, whey, and gluten, and some derived from further processing of food constituents, such as hydrogenated or interesterified oils, hydrolyzed proteins, soy protein isolate, maltodextrin, invert sugar and high fructose corn syrup.

BOARD REPORT

PG. 2

NO. 16-093

SUMMARY:

The Echo Park Boathouse Café Concession (Concession) is situated within the fifteen hundred (1,500) square foot Echo Park Boathouse (Boathouse), located at 751 N. Echo Park Avenue in Echo Park, Los Angeles, CA 90026, on the east side of Echo Park Lake (Lake). The Boathouse was originally constructed in 1932.

The Boathouse has undergone several aesthetic and building system retrofits throughout the years. Phase I of the most recent rehabilitation effort, the Echo Park Boathouse Rehabilitation Project (Project), entailed preserving the existing piles, rehabilitating the dock and providing individuals with disabilities access to the dock. Phase I was completed in 2007. Phase II of the Project included the aesthetic and structural retrofit of the existing building and mechanical systems and incorporation of areas for two (2) long-term concessions in the Boathouse - a café operation and a pedal boat rental operation. Phase II was completed in 2012.

On July 20, 2013, the Concession opened for operation on an interim basis, under a ninety (90) day interim permit with Square One Dining (Square One). On October 2, 2013, the Board approved and awarded Square One a one (1) year Concession Agreement (Agreement) with two (2), one (1) year options to extend the Agreement at the discretion of the RAP General Manager (through Report No. 13-244) (Attachment A). In 2015, Square One generated annual gross receipts of Five Hundred Eighty Thousand, Eight Hundred Thirty Nine Dollars (\$580,839.00), which produced revenue-share at five percent (5%) totaling Twenty-Nine Thousand, Forty-Two Dollars (\$29,042.00) that was paid to RAP.

On May 20, 2015, the Board approved and authorized the release of a RFP for a three (3) year Operation and Maintenance of the Echo Park Boathouse Café Concession (through Report No. 15-108) (Attachment B). The RFP was released on July 8, 2015 and advertised via Los Angeles Daily Journal, RAP's website, on Los Angeles Business Assistance Virtual Network, and by a mailed letter to parties on a concession interest list maintained by RAP.

On September 8, 2015, RAP received one (1) proposal - from (Four Square), whose three (3) officers form the management team of Square One, the current operators of the Concession under Concession Agreement No. 273. The proposal from Four Square was responsive and determined acceptable in the following areas: background and experience operating similar food services operations; financial capacity for commitments to the Concession; compliance with City contracting; and, annual minimum revenue-share RFP proposal requirements.

RAP was prepared to award a new Agreement to Four Square. On January 22, 2016, RAP staff met with Four Square to negotiate a new Concession Agreement, at which time Four Square stated that they could not commit to the annual minimum revenue-share figures as they had originally presented as part of the Pro Forma submitted with their proposal. Instead, Four Square proposed a reduced annual minimum revenue-sharing terms. RAP cannot reduce the proposed annual minimum revenue-sharing terms, and if Four Square is unable to execute the Agreement with the revenue-sharing terms presented in their original proposal, the \$5,000.00 proposal deposit must be retained by RAP as instructed in the RFP.

BOARD REPORT

PG. 3

NO. 16-093

RAP staff is ready to re-issue, at the direction of the Board, an RFP for the operation and maintenance of the Concession. With this RFP, RAP seeks a qualified, experienced, and financially sound operator who will meet or exceed the RAP's expectations in all operational and financial areas, and optimize service to the public and profitability of the Concession.

Proposal and Contractual Provisions

1. **Proposal Deposit:** Five Thousand Dollar (\$5,000.00) proposal deposit will be required with the submission of each proposal.
2. **Term:** Five (5) years with one (1) five (5) year renewal option exercisable at the sole discretion of RAP, along with approval of the Board of Recreation and Park Commissioners.
3. **Revenue-Sharing Terms:** The minimum acceptable percentage for this RFP is nine percent (9%) of gross receipts for all food and beverage sold during the term of the Agreement; or, an annual minimum revenue-sharing fee of Forty Thousand Dollars (\$40,000.00) for year one (1) of the Agreement with a three percent (3%) escalation each year thereafter - whichever is greater. If the annual minimum revenue-sharing fee is not met by December 31st of each calendar year, the difference between the actual revenue-sharing payment received by RAP and the annual minimum revenue-sharing fee will be due to RAP by January 15th of the subsequent year, pro-rated as necessary for the first year of operation or fractional part thereof, and pro-rated as necessary for the final year of operation or fractional part thereof.
4. **Concession Improvements:** No concession improvement proposals are required in the RFP. Physical improvements, repairs or physical alterations to the Boathouse are restricted due to the historical significance of the facility. RAP reserves the right to request a capital improvement plan upon exercising the five (5) year renewal option.

The Boathouse is a historically significant contributing element to the Park, which is designated as HCM No. LA-836 in accordance with Chapter 9, Article 1 of the Los Angeles Administrative Code. HCM No. LA-836 is listed in the California Register of Historic Resources as eligible for the National Register of Historic Places. The Boathouse is considered historically significant for California Environmental Quality Act (CEQA) purposes.

During the term of the Agreement, no improvements, repairs or physical alterations to the Boathouse may be initiated by selected proposer without prior written approval from the General Manager. In addition to written approval from the General Manager, the selected operator must also obtain the prior written approval of the Cultural Heritage Commission for any proposed substantial alterations to the affected area, in accordance with Section 22.171.14 of the Los Angeles Administrative Code.

Any infractions, large or small, to the prohibition on improving, repairing, or physically altering the Boathouse will be treated as a material breach of the Agreement and will be subject to all of the applicable laws, fines and penalties imposed by the City's Department

of Building and Safety, as well as the Office of Historic Resources. Additional remedies may include the termination of the Agreement, including loss of all financial investment at the time of the breach.

5. **Reserve Fund:** The Concessionaire, in addition to submitting a monthly revenue sharing payment, shall also submit to RAP a monthly reserve fund (Fund) payment in the amount of Two Hundred Dollars (\$200.00) per month for the purpose of repair, refurbishment, or replacement of equipment and capital improvements. This Fund shall not be used for routine repair and maintenance or replacement of equipment. The Fund shall be cumulative and carry-over from year-to-year during the term of the Agreement. In the event of the Agreement termination for any reason, or at the conclusion of the Agreement term, any amount in this Fund account will remain with RAP. Annually in January, the Concessionaire may submit a request for use of the Fund for expenditures in the coming year, for review and the written approval of the General Manager. In the event of emergency, the Concessionaire shall request in writing the use of the Fund for other purposes, or the General Manager may request use of the Fund on a specific repair, refurbishment, or replacement.
6. **Utilities:** The Concessionaire shall be responsible for utility charges associated with the Concession. Charges may include, but are not limited to, deposits, installation costs, meter deposits, and all service charges for water, gas, electricity, heat, air-conditioning, trash pick-up, and other utility services to the premises, and shall be paid by the Concessionaire regardless of whether such utility services are furnished by the City or by other utility service providers. The Concessionaire will pay directly for telephone services, which will be in the name of the Concessionaire. In the event that individual utility meters are not available, the Concessionaire shall remit, on a monthly basis in conjunction with revenue-sharing and monthly reserve fund payments to the Department, the amount of Four Hundred Fifty Dollars (\$450.00) as payment for utilities. The payment for utilities will be subject to increase after the first year of operation to cover increasing utility costs.
7. **Contractual and Financial Terms:** The City will enter into an Agreement whereby the City has no financial responsibility or liability for operation of the Concession and the City will share in profits in the form of a percentage of gross revenue-based and/or annual minimum revenue-based sharing payment in addition to monthly reserve fund payment and utility payments as applicable.
8. **Performance Deposit:** A Performance Deposit (Deposit) will be required to be maintained for the duration of the Agreement in the amount of Ten Thousand Dollars (\$10,000.00). The Deposit will be in the form of a cashier's check made out to the City of Los Angeles.

Evaluation Process

Proposals will be evaluated in two (2) Levels. Level I will be a check and review by Concessions Unit staff for required compliance to City contracting requirements and submittal documents. Level II will be a comprehensive evaluation of the proposals that may consist of a review panel comprised of qualified persons. Proposers must successfully pass Level I to proceed to Level II.

BOARD REPORT

PG. 5

NO. 16-093

RFP Evaluation Criteria Areas

For the purposes of evaluation, the proposals that passed Level I will be evaluated on the criteria below (Level II):

- 1) Business Plan (30 points possible)
- 2) Proposed Operational Plan for the Echo Park Boathouse Café Concession (30 points possible)
- 3) Proposed Revenue-Sharing Payment (40 points possible)

The RFP documents will be advertised in the Los Angeles Daily Journal; made available on RAP's website; and posted on the Los Angeles Business Assistance Virtual Network (BAVN). A letter inviting bids will be mailed to organizations and individuals from a mailing list maintained by the Concessions Unit.

A mandatory Pre-Proposal Conference will be held approximately one (1) month after the release of the RFP in order to provide potential proposers with a review of the submittal documents, compliance documents and requirements for the Business Inclusion Program (BIP) as mandated by the Mayor's Executive Directive No. 14, Villaraigosa Series, and the Board's policy for the adoption and implementation of BIP (Board Report No. 12-050, approved February 15, 2012). Additionally, a mandatory site walk will be conducted after the conference in order for the potential proposers to view the facility to get a better understanding of the operation and maintenance of the Concession.

FISCAL IMPACT STATEMENT:

Re-releasing the Request for Proposals will have no impact to RAP's General Fund.

RECOMMENDATIONS

1. Award the Echo Park Boathouse Café Concession to MTI Investments, Inc. (MTI), for a term of five years with one five-year renewal option exercisable at the General Manager's sole discretion;
2. Approve a proposed Agreement between the City of Los Angeles and MTI for the operation and maintenance of the Echo Park Boathouse Café Concession (Agreement), subject to the approval of the Mayor, the City Council, and the City Attorney as to form;
3. Direct the Board Secretary to transmit the Agreement to the Mayor per Executive Directive No. 3, and, to the City Attorney for approval as to form;
4. Find, in accordance with Charter Section 1022, that it is necessary, feasible, and economical to secure these services by contract as the Department of Recreation and Parks (RAP) lacks sufficient and necessary personnel to undertake these specialized professional services;
5. Find, pursuant to Charter Section 371(e)(10), and Los Angeles Administrative Code Section 10.15(a)(10), that the use of competitive bidding would be undesirable, impractical or otherwise excused by the common law and the Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by RAP for the operation and maintenance of the Echo Park Boathouse Café Concession;
6. Authorize the General Manager or Designee to execute the proposed Agreement and to make any necessary technical changes consistent with the Board's intent in approving the proposed Agreement; and,
7. Find that the proposed Project is categorically exempt from the California Environmental Quality Act (CEQA), and direct RAP staff to file a Notice of Exemption.

SUMMARY

The Echo Park Boathouse Café Concession (Concession) is situated within the 1,500 square foot Echo Park Boathouse (Boathouse), located in the Echo Park community at 751 N. Echo Park Avenue, Los Angeles, CA 90026, on the east side of Echo Park Lake (Lake).

The Boathouse has undergone several aesthetic and building system retrofits throughout the years. Phase I of the most recent effort to improve the infrastructure was completed in 2007. Phase II, which was completed in 2012, included the retrofit of the existing building and incorporation of areas for two concessions: a Café and a pedal boat rental operation.

On October 2, 2013, the Board approved and awarded Square One Dining the right to operate the Café under Concession Agreement No. 273 for one year, with two one-year extension options through Report No. 13-244 (Attachment 2). Both options were exercised and Square One continues to operate the Café. In 2015, the Concession generated annual gross receipts of Five Hundred Eighty Thousand, Eight Hundred Thirty-Nine Dollars (\$580,839.00), which produced revenue-share to RAP of five percent (5%) totaling Twenty-Nine Thousand, Forty-Two Dollars (\$29,042.00).

BACKGROUND

On May 20, 2015, the Board approved and authorized the release of an RFP for a three-year Agreement for the operation and maintenance of the Concession through Report No. 15-108 (Attachment 3). The RFP was released on July 8, 2015 and advertised via Los Angeles Daily Journal, on RAP's website, on the Los Angeles Business Assistance Virtual Network (LABAVN), and by correspondence to interested parties on a list maintained by RAP.

On September 8, 2015, RAP received one proposal - from MDDJ Four Square LLC (Four Square), whose three officers form the management team of Square One, the current Café operator. Four Square's proposal was responsive and determined to be acceptable.

On January 22, 2016, RAP staff met with Four Square to negotiate the new Concession Agreement. Four Square stated that they could not commit to the annual minimum revenue-share amount that they originally included in their proposal. Instead, Four Square proposed a reduced annual minimum revenue-sharing amount during the negotiation of the Concession Agreement. RAP consulted with the City Attorney, who opined that the annual minimum revenue-sharing amount as stipulated in their proposal could not be reduced, and if Four Square is unable to execute the Agreement as proposed, the \$5,000.00 proposal deposit must be forfeited and retained by RAP.

On April 20, 2016, the Board approved the reissue of the RFP for the operation and maintenance of the Concession with a term of five years, with one five-year renewal option through Report No. 16-093 (Attachment 4). The pre-proposal conference was held on June 2, 2016.

BOARD REPORT

PG. 3 NO. 16-224

The new proposed Agreement does not provide exclusivity for mobile vending; however, the Agreement would allow the concessionaire to operate a mobile food service to complement the Café.

On June 21, 2016, RAP received two proposals: One from Four Square and another from MTI, Investments Inc. (MTI). Both responses passed the Level I review and were evaluated for Level II review. MTI received higher scores, averaging eighty (80) points in the business and operational plan categories. Four Square scored an average of sixty (60) points.

Four Square has operated the Concession for the past three years and has established itself as a strong business in the Echo Park/Silver Lake Community. They have successfully operated the Café with a menu that consists of fresh foods prepared daily, including sandwiches and breakfast foods.

BUSINESS PLAN

MTI proposed a creative and innovative concept, Curate Café. The proposed menu (Attachment 5) includes food items made fresh daily with locally sourced ingredients, and features organic beef in burgers, along with specialty smoothie bowls, vegetable dishes, salads and an enticing breakfast menu. In addition, MTI proposed a seasonal mobile food cart operation plan that includes a variety of cuisine including barbeque items, gourmet soups, and turkey legs. MTI demonstrated enthusiasm in partnering with local businesses and working alongside the current local mobile vendors. In order to protect this proposed addition to the offerings at this Concession, RAP will ensure that when a permitting program for the current mobile food vendors is implemented by the City, mobile food vending items will not be in direct competition with the then-existing concessionaire's.

MTI places great focus on excellent customer service through a specialized training program for employees which provides them with a step-by-step system on how to provide each customer with a personalized experience. This system has been proven by the success of the six restaurants that MTI owners manage.
