RECOMMENDATIONS

Accept a donation from Los Angeles Clippers Foundation (LACF), consisting of uniforms, player and coach clinics, event tickets for youth, and other in-kind contributions, with an estimated value of Three Hundred Fifty Thousand Dollars (\$350,000) for continued support of the Junior Clippers Basketball Program for the year 2024 benefitting thirteen thousand five hundred (13,500) participants from the Department of Recreation and Parks (RAP) eighty (80) Recreation Centers.

SUMMARY

LACF has generously provided RAP with a donation of products and in-kind services valued at approximately Three Hundred Fifty Thousand Dollars (\$350,000) for the continued support of the Junior Clippers Basketball Program (Program) held at various RAP facilities from January 2024 through August 2024. The donated products and in-kind services include uniforms, player and coach clinics and event tickets.

The Program started in Fiscal Year 2000-01 with seven hundred fifty (750) participants from three Recreation Centers: Normandie, Shatto and Queen Anne. The Program has now expanded to include thirteen thousand five hundred (13,500) participants from eighty (80) Recreation Centers. The Program hosts basketball clinics at several Recreation Centers, which provide basic instruction in basketball fundamentals, sportsmanship, health and nutrition.

BOARD REPORT

PG. 2 NO. 24-050

Over the last thirty years, LACF has joined with RAP to work with youth, adults, and families to promote the game of basketball, sportsmanship, and athletics as an alternative to negative influences. Since 1990, this collaboration has resulted in programs such as Neighborhood Pride, Pride JAM, Citywide Basketball Finals, NBA 2 Ball, Junior Clippers, and Late Night Hoops.

In 2022, LACF completed a four year project, refurbishing approximately three hundred fifty (350) basketball courts – both indoor and outdoor – throughout the City at RAP Parks at a cost of Ten Million Dollars (\$10,000,000).

The following is a list of the eighty (80) recreation centers that are participating in the 2024 Program:

FISCAL IMPACT

This donation of uniforms, clinics and in-kind contributions from LACF valued at approximately Three Hundred Fifty Thousand Dollars (\$350,000) subsidizes an existing RAP program which benefits the participants and families. Acceptance of this in-kind donation results in no fiscal impact to RAP's General Fund and contributes beneficially to the City.

STRATEGIC PLAN INITIATIVES AND GOALS

Approval of this Report advances RAP's Strategic Plan by supporting:

Goal No. 2: Offer Affordable and Equitable Recreation Programming

Outcome No. 1: Increase participation in youth sports, fitness and aquatic programs by removing barriers to enrollment, specifically in low income communities of color

Key Metric: Number of youth participants in sports and fitness programs

Result: RAP's Junior Clipper Leagues will train and develop approximately 13,500 girls and boys in basketball
